(1) All that undivided three-fourths share of Abdul Rashid, a member of the defendant firm, in the upper-roomed house and premises Nos. 1, 2, 3 and 4, Rattu Sarkar's Lane, and Nos 72 and 73, Colootolla Street, Calcutta, known as "Rashid Buildings" containing 6 cottahs and 8 chittacks of revenue-free land, more or less, and bounded on the North by premises No. 5, Rattu Sarkar's Lane, on the South by Colootolla Street, on the East by Kanye Sil's Street and on the West by Rattu Sarkar's Lane, being portions of holdings Nos. 72, 73, 74, 75, in Block X, North Division.

In reprinting the Bill all changes made by us have, so far as possible, been underlined.

2. We have no remarks to make on the first five clauses of the Bill.

Clause 6, sub-clause (2).—We think that provision should be made in sub-clause (*2*) of clause 6 that the time allowed for submission of objections to draft orders should not be less than two months from the date of the publication of the draft order. It is undesirable that a draft project should be held up longer. At the same time this period will give ample opportunity to persons affected to put in their representations.

Sub-clause (4) (vii).—We have considered the necessity of providing against damage by aerial ropeways to underground workings in mining areas. These ropeways will frequently pass over mining properties and it is just that a promoter, if he wishes to place his line in such manner that it will interfere with the getting of minerals in such areas, shall either compensate the person working such minerals for the loss so occasioned or shall divert his line when it begins to interfere with the working of the minerals. We do not consider that it is necessary to make the Bill cumbrous with the details of compensation or arrangements for diversion in such exceptional cases. Such details are best left to rules which can be modified from time to time by the Local Government in the light of experience.

Clause 7.—We have made a slight drafting amendment in sub-clause (*1*) of this clause.

Clause 11, sub-clause (1).—We have considered the position of Inspectors of Aerial Ropeways. It is possible that at first it may be necessary to combine with other provinces in obtaining the services of qualified Inspectors. The members of the Committee who have had personal experience of the working of these ropeways have pointed out that this is a highly technical subject and that no one is competent to act as an Inspector of these ropeways unless he has very special knowledge. The number of persons in India with that special knowledge is limited. The services of the Inspector should be paid for to some extent by the promoters and we have therefore left it to the Local Government to fix a scale of fees accordingly.

We have no changes to make in clauses 12 to 20.

Clause 21.—With reference to this clause, we regard the procedure for closing an aerial ropeway as liable to misapplication unless very skilled agency is employed in the work of inspection, and owing to the difficulty of obtaining the services of such agency in urgent cases we consider that in addition to the safeguards which we propose in the new clause 40A there should be some provision for enquiry by expert authority if the Local Government think this necessary before a definite order for closing an aerial ropeway is issued. We have provided for this in sub-clause (*1*) of this clause. In sub-clause (*2*) we have given the Government power to frame rules in regard to the re-opening of an aerial ropeway which has been closed, so as to enable an elastic procedure to be adopted in cases where defects have been remedied and the promoter asks for an immediate expert enquiry to enable him to resume business.

Clause 30.—The same difficulty in regard to the stoppage of getting coal or other minerals as is already alluded to with reference to sub-clause (*4*) of clause 6 may arise in cases of temporary occupation of land. In such a case persons engaged in mining are entitled to additional relief and we have provided for this.

Clause 40.—We have inserted sub-clause (*j*) of clause 31 so as to complete the reference to clause 37, the breach of which must carry with it a penalty, and also the new sub-clauses (*dd*), (*l*) and (*m*) of clause 41(*2*) among the provisions to be applied to private aerial ropeways.

Clause 40A.—We consider that in a highly technical matter of this kind it is necessary that there should be an Advisory Board, to whom Government may be compelled to refer in case of the refusal to sanction a ropeway or in case of the grant of sanction to a ropeway or of an order to close a ropeway. This Board should consist of a Chief Engineer and two expert officers and we have provided for an application for revision of the orders passed in any of these cases being made by the persons affected to the Local Government. The Local Government will then lay the matter before the Advisory Board and will consider the opinion of the Advisory Board before passing orders in revision. Provisions as to the procedure of the Advisory Board have also been inserted in clause 40A, the drafting of which in the main is based on that of the Indian Electricity Act, 1910.

Clause 41.—We have in sub-clause (*ia*) set out the details in regard to the protection which should be afforded to mining properties over which aerial ropeways pass. We have also provided [in sub-clauses (*dd*), (*l*) and (*m*)] for fees, for procedure in revision and for procedure in respect of the re-opening of an aerial ropeway which has been closed.

3. The Bill was published in English in the *Calcutta Gazette* of the 21st March, 1923.

4. We do not consider that the Bill has been so altered as to require re-publication.

5. We recommend that the Bill, as amended by us, be passed.

(Chapter II.—Orders authorising the Construction of Aerial Ropeways for Public Traffic.—Inspection of Aerial Ropeways for Public Traffic.—Clauses 8-10.)

Cessation of powers given by an order.

8. If a promoter authorised by an order to construct an aerial ropeway for the public carriage of passengers, animals or goods does not, within the time specified in the order,— [*Cf.* Ben Act III of 1883, s 9.]

(*a*) succeed in raising the full amount of capital required for the completion of the ropeway, or

Inspection of Aerial Ropeways for Public Traffic.

Inspection of aerial ropeway before opening

10. (*1*) No aerial ropeway intended for the public carriage of passengers, animals or goods shall be opened for any kind of traffic until the Local Government or an Inspector empowered by the Local Government in this behalf has, by an order, sanctioned the opening thereof for that purpose. The sanction of the Local Government under this section shall not be given until an Inspector has, after inspection of the ropeway, reported in writing to the Local Government—

(*a*) that he has made a careful inspection of the ropeway and appurtenances;

(*b*) that the moving and fixed dimensions and other conditions prescribed under sub-section (*4*) of section 6 and sub-section (*1*) of section 7, have been complied with;

(*c*) that the ropeway is sufficiently equipped for the traffic for which it is intended;

(*d*) that the by-laws and rules prescribed by sections 27 and 41 have been duly made, approved and published; and

(*2*) The provisions of sub-section (*1*) shall extend to the opening of additional sections of the ropeway, and to deviation lines and any alteration or re-construction materially affecting the structural character of any work to which the provisions of sub-section (*1*) apply or are extended by this sub-section.

The Bengal Aerial Ropeways Bill, 1923.

(*Chapter II.—Inspection of Aerial Ropeways for Public Traffic.—Construction and Maintenance of Aerial Ropeways for Public Traffic.—Clauses 11-14.*)

Appointment and duties of Inspector.

11. (*1*) The Local Government may appoint such persons as they deem fit to be Inspectors of aerial ropeways for the public carriage of passengers, animals or goods, and may fix the fees to be charged to promoters for the performance by Inspectors of their duties under this Act. [*Cf.* Act IX of 1890, s. 4]

(*2*) It shall be the duty of any such Inspector from time to time to inspect such ropeways, and to determine whether they are maintained in a fit condition and worked with due regard to the convenience and safety of the persons using them and of the general public, and consistently with the provisions of this Act.

Powers of Inspectors

12. An Inspector shall, for the purpose of any of the duties which he is authorised or required to perform under this Act, be deemed to be a public servant within the meaning of the Indian Penal Code, and shall, for that purpose, have such powers as may be prescribed. Facilities to be afforded to Inspector

13. The promoter, and his servants and agents, shall afford to an Inspector all reasonable facilities for performing the duties and exercising the powers imposed and conferred upon him by this Act, or by rules made thereunder. [*Cf.* Act IX of 1890, s 6]

Construction and Maintenance of Aerial Ropeways for Public Traffic.

Authority of promoter to execute all necessary works.

14. (*1*) Subject to the provisions of this Act, and, in the case of immovable property not belonging to the promoter, to the provisions of any enactment for the time being in force for the acquisition of land for public purposes and for companies, a promoter of an aerial ropeway for public traffic may— [*Cf.* Act IX of 1890, s 7.]

(*a*) make such survey as he thinks necessary;

(*b*) place and maintain posts in or upon any immovable property; [*Cf.* Act XIII of 1885, s. 10, first para]

(*c*) suspend and maintain a rope over, along or across any immovable property;

(*d*) make such bridges, culverts, drains, embankments and roads as may be necessary; [*Cf.* Act IX of 1890, s 7(*a*), (*d*) and (*f*)]

(*e*) erect and construct such machinery, offices, stations, warehouses and other buildings, works and conveniences as may be necessary; and

(*f*) do all other acts necessary for constructing, maintaining, altering, repairing and using the aerial ropeway:

Provided that a promoter may take any action under clause (*b*) or clause (*c*) of this sub-section, notwithstanding the objection of the owner or occupier of the property affected thereby if the Collector, by an order in writing, permits such action. [*Cf.* Act IX of 1910, s 12(*2*), first proviso]

(*2*) When making an order under the proviso to sub-section (*1*), the Collector shall fix the amount of compensation or of annual rent or of both which should, in his opinion, be paid by the promoter to the owner of the property affected thereby, or, in the case of immovable property, to the owner or occupier thereof. [*Cf.* Act IX of 1910, s. 12(*3*).]

The Bengal Aerial Ropeways Bill, 1923.

(*Chapter II.—Construction and Maintenance of Aerial Ropeways for Public Traffic.—Working of Aerial Ropeways for Public Traffic.—Clauses 15-19.*)

Temporary entry upon land for repairing or preventing accident.

15. (*1*) A promoter may, at any time, for the purpose of examining, repairing or altering an aerial ropeway for public traffic or of preventing any accident, enter upon any immovable property adjoining such ropeway, and may do all such works as may be necessary for such purpose. [*Cf.* Act IX of 1890, ss. 9 and 10.]

(*2*) In the exercise of the powers conferred by sub-section (*1*), the promoter shall cause as little damage as possible, and compensation shall be paid by him for any damage so caused; and, in a case of dispute as to the amount of such compensation, or the person to whom it shall be paid, the matter shall be referred to the decision of the Collector.

Removal of trees, structures, etc.

16. (*1*) Where any tree standing or lying near an aerial ropeway for public traffic, or where any structure or other object which has been placed or has fallen near any such ropeway subsequently to the issue of an order under section 7 in regard to such ropeway, interrupts or interferes with, or is likely to interrupt or interfere with, the construction, maintenance, alteration or use of the ropeway, the Collector may, on the application of the promoter, cause the tree, structure or object to be removed or otherwise dealt with as he thinks fit. [*Cf.* Act IX of 1910, s. 18(3) and (4).]

(*2*) When disposing of an application under sub-section (*1*), the Collector shall, in the case of any tree in existence before the construction of the aerial ropeway, award to the person interested in the tree such compensation, if any, as he thinks reasonable, and the Collector may recover the same from the promoter in the same manner as an arrear of land revenue.

Explanation.—For the purposes of this section, the expression "tree" shall be deemed to include any shrub, hedge, jungle-growth or other plant.

Orders of Collector subject to revision by Local Government

17. No suit shall lie, in respect of any matter referred to in the proviso to sub-section (*1*) of section 14, sub-section (*2*) of section 14, section 15 or sub-section (*1*) of section 16, but every order made by a Collector under any of those sections, and every award made by him under sub-section (*2*) of section 16, shall be subject to revision by the Local Government. [*Cf.* Act IX of 1890, s. 10(2), and Act IX of 1910, s. 12(4).]

Working of Aerial Ropeways for Public Traffic.

Promoter may fix rates.

18. The promoter of an aerial ropeway for public traffic shall, for the purposes of working an aerial ropeway, and subject to such maximum and minimum rates as may be prescribed, have power from time to time to fix the rates for the carriage of passengers, animals or goods on the aerial ropeway. [*Cf.* Ben Act III of 1885, s. 24.]

Duty of promoter to work aerial ropeway without partiality.

19. No promoter shall, for the purposes of working an aerial ropeway for public traffic, make or give any undue or unreasonable preference or advantage to, or in favour of, any particular person or any particular description of traffic in any respect whatsoever, or subject any particular person or any particular description of traffic to any undue or unreasonable prejudice or disadvantage in any respect whatsoever. [*Cf.* Act IX of 1890, s. 42 (3).]

The Bengal Aerial Ropeways Bill, 1923.

(*Chapter II.—Working of Aerial Ropeways for Public Traffic.—Discontinuance of Aerial Ropeways for Public Traffic.—Clauses 20-22.*)

Reporting of accidents.

20. When any of the following accidents occur in the course of working an aerial ropeway for public traffic, namely :— [*Cf.* Act IX of 1890, s. 33.]

(*a*) any accident attended with loss of human life or with grievous hurt as defined in the Indian Penal Code, or with serious injury to property ; Act XLV of 1860.

(*b*) any accident of a description usually attended with loss of human life or with such grievous hurt as aforesaid or with serious injury to property ;

(*c*) any accident of any other description which the Local Government may notify in this behalf in the *Calcutta Gazette* ;

the promoter shall, without unnecessary delay, send notice of the accident to the Local Government and to the Inspector of the aerial ropeway ;

and the promoter's servant in charge of the station on the aerial ropeway nearest to the place at which the accident occurred or, where there is no station, the promoter's servant in charge of the section of the aerial ropeway on which the accident occurred shall, with the least possible delay, give notice of the accident to the Magistrate of the district in which the accident occurred and to the officer in charge of the police-station within the local limits of which it occurred, or to such other Magistrate and police-officer as the Local Government may appoint in this behalf.

Power to close and re-open aerial ropeway.

21. (*1*) If, after inspecting any aerial ropeway opened to public traffic, an Inspector is of opinion that the ropeway or any specified part thereof cannot be used without danger to the public, or is no longer in a fit state for the carriage of any specified class of traffic, he shall state that opinion, together with the grounds therefor, to the Local Government ; [*Cf.* Act IX of 1890, ss. 23 and 24.]

and the Local Government, after such further inquiry, if any, as they may think fit, may thereupon order that, for reasons to be set forth in the order, the aerial ropeway, or the part thereof so specified, be closed to all traffic or to any specified class of traffic :

Provided that, in any case of extreme urgency, the Inspector may order the suspension of the working of the ropeway or any part thereof which he considers necessary, pending the orders of the Local Government on the case.

(*2*) When, under sub-section (*1*), an aerial ropeway or any part thereof has been closed to any traffic, it shall not be re-opened to such traffic until it has been inspected, and its re-opening sanctioned, in the prescribed manner.

Discontinuance of Aerial Ropeways for Public Traffic.

Cessation of powers of promoter on discontinuance of aerial ropeway.

22. If, at any time after the opening of an aerial ropeway for public traffic, it is proved to the satisfaction of the Local Government that the promoter has, [*Cf.* Ben. Act III of 1888, s. 39.]

The Bengal Aerial Ropeways Bill, 1923.

(Chapter II.—Discontinuance of Aerial Ropeways for Public Traffic.—Purchase of Aerial Ropeways for Public Traffic.—Clauses 23, 24.)

for three months, discontinued the working of the ropeway or of any part thereof, without a reason sufficient, in the opinion of the Local Government, to warrant such discontinuance, the Local Government, if they think fit, may declare that the powers of the promoter in respect of such aerial ropeway or part thereof shall be at an end; and thereupon the said powers shall cease and determine.

Power of removal of aerial ropeway on cessation of promoter's powers.

23. (*1*) When a declaration has been made under section 22, in respect of any aerial ropeway or of any part thereof, an officer appointed in that behalf by the Local Government may, at any time after the expiration of two months from the date determined as aforesaid, remove such aerial ropeway or part thereof, as the case may be; [*Cf.* Ben. Act III of 1888, s. 89.]

and the promoter shall pay to the officer so appointed such costs of removal as shall be certified by that officer to have been incurred by him.

(*2*) If the promoter fails to pay the amount of costs so certified within one month after the delivery to him of the certificate or of a copy thereof, such officer may, without any previous notice to the promoter and without prejudice to any other remedy which he may have for the recovery of the said amount, sell and dispose of the materials of the aerial ropeway or part thereof so removed;

and may, out of the proceeds of the sale, pay and reimburse himself the amount of costs certified as aforesaid and of the costs of the sale;

and shall pay over the residue (if any) of such proceeds to the promoter.

Purchase of Aerial Ropeways for Public Traffic.

Power of Local Government and local authorities to purchase aerial ropeways for public traffic.

24. Final Forecast of the Wheat Crop of Bengal, 1922-23.

(NOTE.—On an average of the five years ending 1920-21, the area under wheat in Bengal has represented some 0·4 per cent. of the total area under wheat in India. The ratio of the irrigated wheat acreage to total wheat acreage in (*a*) British India and (*b*) in the territory now reported on has, in the five years ending 1920-21, averaged (*a*) 43·8 and (*b*) 15·0 per cent. respectively.)

Character of the season.—Since the issue of the third forecast in April last, favourable conditions have existed and threshing operations have proceeded satisfactorily.

Area sown.—According to District Officer's estimates, the total area sown amounts to 124,800 acres this year as against 124,100 acres last year.

Outturn.—From the district estimates the provincial outturn works out at 75 per cent. of the normal this year against 68 per cent. last year.

Taking the normal yield to be 8¼ maunds per acre, the gross yield of the crop for the province is estimated at 28,700 tons this year as against 26,300 tons last year.

At the end of April, the average wholesale price of wheat at the principal marts of the Province was Rs. 5-8 per maund or about 19 per cent. and 20 per cent. lower than the prices ruling at the corresponding periods of last year and in the year preceding respectively. The average wholesale price of common rice at the principal marts, on the other hand, was Rs. 5-11-9 or about 7 per cent and 16 per cent. lower than the prices at the corresponding periods of last year and the year preceding, respectively.

Final Forecast of the Wheat Crop of Bengal, 1922-23.

District.	Estimated normal area under the wheat crop.	Estimated area under wheat.		Taking 100 to represent the normal outturn what would be the average outturn per acre cropped.		Date on which the harvesting of the crop was begun this year and whether that date was early, normal or late.	Remarks by District Officers.
		Last year (1921-22).	This year (1922-23).	Last year.	This year.		
	Acres.	Acres.	Acres.				
Nadia ...	28,100	13,100	11,700	42	83	Beginning of March. Normal.	The decrease in area is due to want of timely rain. The outturn is below the normal owing to want of rain at the time of growth of the crop.
Murshidabad ...	35,800	21,600	21,600	67	67	March. Normal ...	The weather conditions continued dry after sowing adversely affecting the growth of the crop and caused damage to the extent of about 33 per cent.
Jessore ...	3,800	900	900	50	50	March	The weather was not favourable. The fall in outturn is due to want of timely rain which retarded the growth of the crop.
Burdwan ...	1,600	2,800	2,800	67	100	Middle of March	Since the submission of the third forecast, the weather was not so favourable as in the last forecast owing to lack of further rainfall. On the whole the weather this season has been exceptionally favourable. Most of the subordinate officers return lower figures but the average outturn is certainly not below the normal for the district.
Birbhum ...	4,600	3,100	3,100	50	83	Ditto	The weather was fairly favourable. Want of rain affected the outturn.
Bankura ...	4,000	2,500	3,400	75	100	Beginning of March ...	The weather was favourable. The outturn is estimated to be a normal one.
Midnapore ...	800	800	800	75	83	March. Normal	The weather was not favourable. Want of rain during the period of growth affected the crop.
Hooghly ...	400	1,700†	900	67	67	End of March. Normal ...	The weather was not favourable for want of timely rain.
Rajshahi ...	18,600	9,300	10,000	83	67	Middle of March. Normal	The increase in area is due to the fact that the crop was largely grown in the flood-affected area. Want of rain retarded the growth of the crop and affected the outturn.
Dinajpur ...	1,300	1,300	1,600	67	59	.....	The increase in area is due to increase in prices. The weather was not favourable.
Jalpaiguri ...	800	500	500	92	92	Third week of March ...	The weather was fairly favourable in the Alipore subdivision, but unfavourable in the Sadar subdivision. Want of occasional showers caused a decrease in outturn.
Darjeeling ...	2,900	2,500	2,500	83	83	Second week of March. Normal.	The weather was fairly favourable.
Rangpur ...	3,400	3,400	3,400	100	100	Beginning of March ...	The weather was favourable and a normal outturn has been obtained.
Bogra ...	100	300	300	70	70	Last week of March. Late	The weather was not favourable owing to want of rain during the period of growth.
Pabna ...	8,800	6,200	6,600	50	67	Middle of March. Normal	The decrease in area as compared with the second forecast is due to revision.
Malda ...	43,000	48,000	48,000	75	75	Ditto ...	The weather was favourable at the outset, but continued drought since the sowing time retarted the growth and damaged about two-thirds of the crop. The weather was not favourable. Continued drought somewhat retarded the growth of the crop causing some damage. The rainfall in February benefited only a part of the crop.
Dacca	4,100	3,500	3,500	60	76	End of March. Normal ...	Want of timely rain affected the growth of the crop.
Mymensingh ...	500	200	600	83	100	Middle of March. Normal	The weather was favourable and a normal outturn has been obtained.
Faridpur ...	2,700	2,900	2,900	40	63	March. Normal ...	The weather was not favourable. The rainfall in February helped the growth of the crop. Want of timely rain damaged the crop by about 33 per cent.

DEPARTMENT OF AGRICULTURE, BENGAL.

Third and Final Forecast of the Spring Oilseed Crops of Bengal, 1922-23.

(NOTE.—On an average of the five years ending 1920-21, the area under linseed in Bengal has represented some 5·3 per cent. and that under rape and mustard 18·5 per cent. of the total areas under these crops in British India.)

Character of the season.—As indicated in the preceding two forecasts, the weather was favourable at the outset except in parts of North Bengal. Subsequent condition proved unfavourable to the growth of the crops in many parts of the Province owing to continued absence of rain and consequent insufficiency of soil moisture. The rainfall in February and March was received too late to retrieve the situation. The season, on the whole, may be regarded as only fair.

Acreage.—The total area under these crops (excepting sesamum for which separate forecasts are issued) is returned at 905,400 acres this year as against 1,059,300 acres last year. The decrease in area as compared with last year is due to revision of estimates for Mymensingh.

Outturn.—From the District Officers' estimates, the provincial outturn of the different oilseed crops works out at 78 per cent. of the normal as against 73 per cent. last year.

Taking 5¾ maunds as the normal rate of field per acre for linseed, 6 maunds for rape and mustard and 4½ maunds for other oilseeds, the total yield for the Province is estimated at 153,000 tons this year as against 167,600 tons last year.

DEPARTMENT OF AGRICULTURE, BENGAL.

Monthly Weather and Crop Report of Bengal for April 1923.

I. **Character of the season.**—During the month under review, the rainfall in the West Bengal districts was generally scanty and in defect of the normal. Elsewhere the fall was generally moderate to heavy. The usual rainfall statement is appended.

II. **Progress of agricultural operations.**—Harvesting of spring crops was nearly finished. Ploughing for, and sowings of, jute and paddy were in full swing except in the West Bengal districts where the progress of the operations was slow owing to drought. Satisfactory progress in the sowings of the autumn crops has so far been made in the Eastern Bengal districts.

III. **State of standing crops.**—The condition of standing crops was generally satisfactory in East and North Bengal, while in West Bengal it was only fair.

IV. **Prospects and probable outturn.**—Prospects of sugarcane, autumn paddy and jute were generally promising in the Eastern and Northern districts, but elsewhere their outlook does not appear to be hopeful on account of insufficient rainfall.

V. **Damage to standing crops.**—No serious damage to crops was reported from any part of the province except in the Sadar subdivision of Rangpur, where hail and storm on the 15th April casued serious damage to the jute crop.

VI. **Condition of agricultural stock.**—The condition of live-stock was reported to be generally satisfactory on the whole. Sporadic cases of cattle disease were reported from parts of Nadia, Jessore, Khulna, Burdwan, Hooghly, Howrah, Rajshahi, Darjeeling, Rangpur, Cooch Behar, Dacca, Mymensingh, Tippera and Noakhali.

VI. **Failure of pasturage and fodder.**—There was insufficiency of water in parts of Dacca, Rajshahi, Burdwan and of both fodder and water in parts of Noakhali and Pabna.

VII. **Prices of food-grains.**—During the second fortnight of the month, the prices of common rice of the cheapest quality fell in six districts, rose in six and remained stationary in the rest of the Presidency. The price ranged from 9½ seers per rupee at Jalpaiguri to 6½ seers per rupee at Darjeeling.

IX. **Condition of agricultural population.**—The condition of the agricultural population was fair on the whole. Test relief works continued in the flood-affected tracts of Rajshahi.

REVIEW SHOWING THE PROGRESS MADE IN THE CREATION OF UNION BOARDS IN THE PRESIDENCY.

GOVERNMENT OF BENGAL.

LOCAL SELF-GOVERNMENT DEPARTMENT.

Local Self-Government.

CALCUTTA, THE 28TH MAY 1923.

RESOLUTION—No. 1691L.S.-G.

THE 15th May 1923 was the fourth anniversary of the Viceroy's assent to the Bengal Village Self-Government Act. and the Minister in charge of Local Self-Government considers it opportune to review the progress which has been made, and to define the policy of Government with regard to the extension of the Act. In doing so he desires to remind the public, the local authorities concerned, and the officers of Government that the development of representative institutions in British India is one of the subjects into which enquiry will be held by the statutory Commission which is provided for by section 84A of the Government of India Act, 1919, and that the future of the country will largely depend upon the decision of the Commission.

2. The statement which is appended to this resolution shows district by district the progress which has been made in the creation of union boards in the Presidency. It will be observed that a total number of 6,782 unions has been constituted under the Village Chaukidari Act, 1870, and the Village Self-Government Act, 1919. These unions are groups of villages constituted roughly on the basis of an area of 10 to 12 square miles, and a population of 6,000 to 8,000 ; 2,053 or 30·3 per cent. of the whole have been converted from unions under the Village Chaukidari Act, 1870, to unions under the Bengal Village Self-Government Act, but up to date only 1,351 union boards have actually been established (by election and nomination) under section 6 of the Village Self-Government Act.

3. The extension of the Act has been unequal in different parts of Bengal, and the principal explanation of this inequality is the distribution of circle officers. In 1917 it was estimated that when the Act was fully extended there would be about 240 circles in Bengal, a circle being an area consisting of approximately 30 unions, which is considered to be the maximum area in which a circle officer can pay sufficient attention to the needs of each union. It was estimated in 1917 that in order to provide officers for 240 circles 274 Sub-Deputy Collectors were required, the excess number being necessary as a reserve for leave. At that time 40 additional Sub-Deputy Collectors had been recruited for the purpose. Since then a further number of 110 has been recruited up to 31st March 1923. These officers need a minimum period of two years' training before they can be entrusted with the duties of a circle officer. Assuming that all the additional Sub-Deputy Collectors appointed up to the 31st March 1923 had completed their training there would now be 150 available for circle work, and allowing 14 per cent. as leave reserve there would be enough officers for about 130 circles. As a large number of the newly recruited officers had not completed their training, there were actually 98 officers employed as circle officers on the 31st March 1923.

4. The Minister in charge of Local Self-Government is satisfied that the pace of extension of the Act must depend on the supply of circle officers. This view has sometimes been questioned. It is a matter for congratulation

that in many districts the opportunities for doing good which are afforded by the Act have attracted to the union boards landlords, doctors, retired officials and other gentlemen whose qualifications enable them to manage the affairs of their unions with comparatively little assistance from circle officers, but even in these cases the union boards benefit by the assistance of an officer who can facilitate the transaction of the business of union boards with the Magistrate, the police and the district boards. The Minister further recognizes that there are cases in which the position and experience of the president of the union board is such that advice from a very junior circle officer may with some reason be regarded as superfluous. But he thinks that there is a tendency to forget that a very large proportion of the union board members have little or no experience in the transaction of official business, and that in consequence, for some time to come, they cannot be expected to conduct their union boards successfully without the attention and assistance which can only be supplied by a whole-time officer whose duty it is to visit the unions constantly. Moreover, the natural tendency has been to extend the Act first to those areas in which there are enlightened residents ready to undertake the duties, and the Minister wishes to emphasise most strongly his view that the Bengal Village Self-Government Act is not an Act which can be extended only in advanced areas, but that the opportunities which it affords for self-help and for education in the working of representative institutions must also be offered to those villages in Bengal in which higher education and experience in the conduct of public business are less common, and that they can be offered to those villages with advantage. On these grounds the Minister is compelled to the conclusion that the provisions of circle officers is an essential condition of rapid extension of the Act.

5. It has sometimes been suggested that circle officers are not required until the Act is about to be introduced in a subdivision or district. Experience has shown that this view is mistaken. The change from the Village Chaukidari Act to the Bengal Village Self-Government Act involves a substantial amount of new work even when taxation is at first limited to the collection of funds for the pay and equipment of the chaukidars. With a view to equalising as far as possible the area and population of unions or to removing local inconvenience, it is generally found necessary to make some redistribution of union areas before union boards are created. The need for such readjustment does not generally come to notice before circle officers are appointed. It involves an adjustment of taxation into unions which are altered, and experience has shown that it is better to complete this adjustment before the board has to undertake the difficulties inherent in administering a new Act.

6. Though in many districts membership of the chaukidari panchayat has been willingly undertaken by the most enlightened residents of villages and has consequently been regarded as a position of dignity, it is unfortunately the case that in other districts the best men available have not come forward. It has generally been found that the appointment of circle officers has rendered membership of the chaukidari panchayat more popular, and has enhanced the dignity of the position. Not only is the District Magistrate enabled through the agency of the circle officer to enlist the services of the best men and to interest them in the work, but the assistance of the circle officer makes it possible to pay greater attention to the needs of the panchayat and to remove their difficulties which, for the lack of officers available for attending to them, have, it is feared, often been disregarded in the past. The Minister believes that in almost every union in Bengal there can be found a panchayat which can command some degree of confidence from the villagers, and experience has shown that where the services of the best men have not been enlisted for work on the chaukidari panchayat, there is a tendency for them to hold aloof from the first elections held under the Village Self-Government Act.

7. Again, it is unfortunately the fact that in many chaukidari villages, the chaukidari tax is not fairly assessed and consequently is not punctually collected. In such circumstances transition from the Village Chaukidari Act to the Village Self-Government Act is attended by considerable risk. The

villagers apprehend that if increased taxation follows it may not be assessed according to property qualifications, and there is also the risk of the chaukidars' wages being irregularly paid. For the removal of this danger the employment of a circle officer in examining the assessment lists and, if necessary, reporting to the Magistrate for action under section 20 of the Village Chaukidari Act is an essential preliminary to the introduction of the Village Self-Government Act.

8. The Minister has observed that there exists amongst District Magistrates and district boards a considerable variety of opinion as to the conditions which are requisite before the Act should be introduced. The opinions have sometimes been expressed that the Act should not be introduced unless there are residents of advanced educational qualifications available to administer it, or unless the people have declared a desire to impose taxation for purposes other than the payment of chaukidars. The Minister disagrees with these views, but in order to explain his policy in this matter, he must declare what he holds to be the essential meaning of this Act. It involves a definite recognition by the Government and by the Legislature of the failure of the attempt to meet the needs of Bengal villages by the agency of centralised institutions administering large areas, and of the fact that the only hope of meeting these needs lies in trusting the residents of villages to determine for themselves what they require and in giving them the opportunities to provide what they require in their own manner and for themselves. This being the meaning of the Act the Minister desires to introduce it in any area in Bengal in which the preliminary work referred to above has been completed and in which a circle officer can be supplied to help in the administration of the Act. He recognises that in many unions the natural dislike for new taxation may produce the effect that at first little will be done besides paying the chaukidars. If such is the case he will not be disappointed. He has seen that many have made use of the opportunity thus afforded by the Act. He believes that others will learn to do so, but he has no desire to interfere with the discretion which has deliberately been given to union boards by section 37 of the Act in the matter of additional taxation.

9. The Minister is impressed by the great importance in its effect on the development of village self-government of the attitude of district boards to the union boards subordinate to them, and of the principles on which that attitude is based. In his view the proper test to apply to the policy of district boards is the question whether it has the effect of encouraging the efforts of union boards to do work for themselves. Union boards should be allowed the greatest possible freedom of choice in the objects on which they spend the money at their disposal, and it should be remembered that by granting a benefit to one union which cannot be granted to all, a district board tends to discourage the unions from exerting themselves to provide a similar benefit.

10. All political parties in the country are in favour of *Swaraj* or self-government. The Minister in charge of Local Self-Government believes that the Bengal Village Self-Government Act is helping to build self-government on sure foundations, and he is confident of receiving support in his policy from all members of union boards and of the general public.

By order of the Government of Bengal
(Ministry of Local Self-Government),

S. W. GOODE,
Secretary to the Government of Bengal (*offg.*).

2. The draft will be taken into consideration on or after the 6th August 1923, and any objections or suggestions received by the undersigned through district officers before that date will be duly considered :—

Draft amendments

I. In sub-rule (*1*) of rule 1, *for* the words "on or before such date as the district board may appoint" *substitute* the words "on or before the 15th January."

II. In sub-rule (*3*) of rule 1, *insert* the words "on or before the 15th January" *after* the word "submitted" in line 2.

III. *After* rule 1 *insert* the following, namely :—

"1A. (1) The budget estimate prepared under sub-rule (1) of rule 1 shall include—

(*a*) any contribution due from the district or local board under the proviso to section 33 of the Act, and

(*b*) such other contributions as the district board may make under the first part of section 45 to assist in the ordinary routine administration.

(2) The amount of the contribution mentioned in clause (*a*) of sub-rule (1) shall be fixed by the district or local board once for all when the work for which it is meant is transferred to the union board and shall be based on the average of actuals for the period before such transfer. The contributions mentioned in clause (*b*) of sub-rule (1) will ordinarily be comparatively small sums allotted to all union boards in the district, irrespective of their efficiency, to enable them to meet their ordinary routine expenditure. These contributions shall be fixed for a term of years. The amounts of the contributions under both clauses (*a*) and (*b*) of sub rule (1) shall be communicated by the district or local board not later than the 1st January immediately preceding the year to which the budget relates.

(3) No estimate of the special contributions to be received during the ensuing year from the district board under section 45 as a recognition of efficient administration or under the proviso to that section, and of the expenditure to be met from such contributions, shall be included in the budget estimates.

(4) The district board, when considering its own budget in December, shall determine the total amount which it will provide for the entire district on account of both the special contributions mentioned in sub-rule (3) and of the fixed grants mentioned in sub-rule (1), but the amount to be allotted to any union board under sub-rule (3) shall be determined after the district board has considered the circle officer's report regarding the working of such union board in the year previous to that for which the budget is framed. Where no rate is imposed under clause (*b*) of section 37 a special supplementary grant under sub-rule (3) may still be granted on account of efficient administration, in addition to the normal grant under sub-rule (1). The circle officer's audit report under rule 19 shall reach the district board not later than the 30th June, and the district board, having regard to the efficiency of the union board as disclosed by this report and to the amount realised in the past year under clause (*b*) of section 37, will proceed to apportion between different union boards the amount provided in its budget in the form of special contributions under the proviso to section 45. The district board shall inform the union board concerned of the amount thus allotted, before the 15th August.

(5) Every union board which is to receive such a contribution under the proviso to section 45 shall intimate to the district board not later than the 30th September the manner in which it proposes to spend the allotment. The report containing this intimation shall be a supplementary budget and shall be submitted in the prescribed form.

(6) If the district board is generally satisfied with the proposals contained in this supplementary budget, it shall forthwith proceed to disburse the grant so as to enable the union board to make full use of the working season. The union board shall be given as much discretion as possible in the utilization of the special grant which it may have earned by its work in the previous year."

IV. *For* rule 19 *substitute* the following, namely :—

"19. A complete audit of the union board's accounts shall be carried out within the union by the circle officer, and a report on such audit and the working of the union board during the past year shall be submitted by him to the district board not later than the 30th June of the ensuing year. The report shall be written after the circle officer has examined the accounts and inspected the work done by the union board. Such inspection should be conducted by him in a public manner after notice has been given of his visit to the union."

Minister in charge : The Hon'ble Sir S. N. Banarji, Kt.

READ ALSO—

Paragraph 403 of the Retrenchment Committee's Report, 1923.

IN paragraph 7 of the Resolution of 1901 referred to in the preamble, orders were issued permitting heads of offices, subject to the control of their superior officers, to grant a holiday on the last Saturday of the month, provided the state of office work permitted of this being done. And whereas it is adjudged necessary by His Majesty and this present Parliament that a body of land forces should be continued for the safety of the United Kingdom and the defence of the possessions of His Majesty's Crown, and that the whole number of such forces should consist of one-hundred and seventy thousand eight hundred, including those to be employed at the depot in the United Kingdom for the training of recruits of service at home and abroad, but exclusive of the numbers actually serving within His Majesty's Indian possessions :

& 8 Geo. 5 c. 51

And whereas under the Air Force (Constitution) Act, 1917, His Majesty is entitled to raise and maintain the air force, and it is judged necessary that the whole number of such force should consist of thirty-three thousand, including those employed as aforesaid, but exclusive of the numbers serving as aforesaid, and the provisions of the Air Force Act are due to expire at the same dates as the provisions of the Army Act :

And whereas the said marine forces may frequently be quartered or be on shore, or sent to do duty or be on board transport ships or vessels, merchant ships or vessels, or other ships or vessels, or they may be under other circumstances in which they will not be subject to the laws relating to the Government of His Majesty's forces by sea :

And whereas no man can be forejudged of life or limb, or subjected in time of peace to any kind of punishment within this realm, by martial law, or in any other manner than by the judgment of his peers and according to the known and established laws of this realm ; yet, nevertheless, it being requisite, for the retaining all the before-mentioned forces, and other persons subject to military law or to the Air Force Act, in their duty, that an exact discipline be observed and that persons belonging to the said forces who mutiny or stir up sedition, or desert His Majesty's service, or are guilty of crimes and offences to the prejudice of good order and military or air force discipline, be brought to a more exemplary and speedy punishment than the usual forms of the law will allow :

And whereas the Army Act and the Air Force Act will expire in the year one thousand nine hundred and twenty-three on the following days :—

RESOLUTION.

Simla, the 29th May 1923.

No. 854-C.S.R.—The Government of India have had under consideration the question of reductions in travelling allowance in consequence of the increase in passenger fares on railways and of the general increase in rates of pay of Government servants. In paragraph 11 on page 284 of their report, the Retrenchment Committee have also recommended, as a measure of economy, the raising of the limits of pay adopted for classification of officers in the supplementary rules and the alteration of the rule which allowed to officers of the first three grades for incidental expenses an additional fare of the class in which they are entitled to accommodation. The Government of India have, after careful consideration of the recommendations of the Committee, decided to amend the supplementary rules as follows with effect from 1st June 1923. The special classification under Appendix 18, Civil Service Regulations, and the special higher rates of daily allowance under Appendix 25, Civil Service Regulations, will continue in force so far as officers whose pay is debitable to Central Revenues and who are not under the administrative control of a Governor in Council acting as the agent of the Governor General in Council are concerned.

For rule 17 *substitute* "For the purpose of calculating travelling allowance, Government servants are divided into four grades as follows :—

(*a*) The first grade includes officers of the services included in the accompanying schedule and all other officers of Government in receipt of actual pay exceeding Rs. 750.

The mileage allowance admissible to a Government servant of the fourth grade is the fare of the lowest class, except for journeys under the Simla Allowances Code."

In rule 37, line 13, *for* 'Rs. 50' *substitute* 'Rs. 100.'

For rule 41 *substitute* " Except in the case of journeys on transfer (the rules about which are contained in section XI), the mileage allowance admissible to a Government servant of the first, second or third grade is 1½ the fare of the class in which he is entitled to accommodation. The mileage allowance admissible to a Government servant of the fourth grade is the fare of the lowest class.

In cases where the steamer company has two rates of fare, one inclusive and one exclusive of diet, the word 'fare' in this rule should be held to mean fare exclusive of diet."

For rule 46 (*b*) *substitute* " When a Government servant travels within the territories administered by a local Government which has fixed special rates for Government servants under its administrative control, he must draw mileage allowance at the rate fixed for a Government servant drawing the same pay in those territories, and when he travels within the jurisdiction of the following minor administrations, his mileage allowance will be at the rate fixed for a Government servant drawing the same pay in the province noted opposite :—

The daily allowance for officers drawing pay exceeding Rs 500 but not exceeding Rs. 750 is Rs. 4."

For rule 51 (*b*) *substitute* " When a Government servant travels within the territories administered by a local Government which has fixed special rates for Government servants under its administrative control, he must draw daily allowance at the rate fixed for a Government servant drawing the same pay in those territories, and when he travels within the jurisdiction of the following minor administrations, his daily allowance will be at the rate fixed for a Government servant drawing the same pay in the province noted opposite :—

Insert as Rule 76A.—As a partial exception to Rule 76, in the case of halts on tour the daily allowance ordinarily admissible under these rules may be drawn in addition to the mileage allowance on the day of arrival at the place of halt if the Government servant arrives before noon and on the day of departure if he leaves after noon, provided that when the day of arrival and the day of departure are consecutive daily allowance can be drawn for one day only on these conditions.

(Post-office Mainamati, district Tippera.)

Admission Rules (Provisional).

THE Survey School is a Government institution under the administrative control of the Director of Industries, Bengal. It is situated on the Mainamati Hill, four miles from the Comilla railway station in the Tippera district.

2. The Principal is charged with the general control of the school and the maintenance of discipline.

3. The full course of instruction extends over two years; either the full course may be taken, or the first year's course only. The latter is for fourteen months, commencing from the 15th July of each year.

4. The session for the second year's course extends without a break from the first Monday in November to the middle of September of the following year.

5. The school is a residential institution, and the students are required to reside in the school premises and must conform to the rules sanctioned by Government. Students may live with their parents or with approved guardians with the special permission of the Principal. The messing charges for Hindu students average about Rs. 10 per month. Owing to the paucity of Muhammadan students they are allowed to make their own messing arrangements.

6. The qualifications for admission to the first year's course are—

(*b*) Ability to write simple English and vernacular.

(*c*) Fitness for arduous field-work.

(*d*) A certificate of character from the head of the school where he was educated.

9. Candidates who do not possess a good knowledge of English will not be ordinarily promoted to the second year class.

10. All payments, whether on account of tuition fees, boarding and lodging, must be made at the Principal's office on or before the 15th of each month. After that date no payment shall be taken, unless accompanied by a fine of Re. 1 for every three days' delay. If the payment is not made during the month for which it is due, the defaulting student's name shall be struck off the school roll, and he will not be re-admitted until he has paid all arrears, together with any fines which may be due from him and a re-admission fee of Rs. 5.

Purchase of Bonds and Loan in the form of Stock at Banks and Government Offices.

13. Stock can be purchased in denominations of Rs. 100 or multiples thereof on payment of the amount due, from the Public Debt Office, Calcutta, through any of the following offices:—

(*a*) The Local Head Offices and Indian branches of the Imperial Bank of India;

(*b*) Offices of the Controller of the Currency, Calcutta, Deputy Controllers of the Currency, Bombay and Northern India, Delhi, and of the Accountants-General, Madras and Burma;

Applications may be in the form attached hereto (Form A), or in any other form which states clearly the amount and description of securities required, the full name and address of the applicant and the treasury or sub-treasury at which he desires that interest shall be paid.

Purchase of Bonds and Loan at Post Offices.

14. The Bonds and Loan in the form of Stock or Promissory Notes can be purchased in denominations of Rs. 100 or multiples thereof, subject to a maximum of Rs. 10,000 on payment of the amount due and on application at any post office conducting savings bank business. Applications may be in the form attached hereto (Form B) or in any other form which states clearly the amount and description of securities required, the full name and address of the applicant, and the treasury or sub-treasury at which he desires that interest shall be paid.

Securities purchased through the Post Office may, if so desired, be left in the custody of the Accountant-General, Posts and Telegraphs.

Safe custody receipts for War Bonds, 1923, 1925 and 1928, deposited with the Accountant-General, Posts and Telegraphs, will be received as the equivalent of cash, for the Bonds and Loan as the case may be as laid down in paragraphs 5 and 9 at any post office conducting savings bank business.

Method of payment.

15. Payment may be made either in cash or by cheque. In the case of purchases of securities at the Local Head Offices of the Imperial Bank of India at Calcutta, Bombay or Madras, the cheques should be drawn in favour of the Secretary and Treasurer. In the case of purchases at a branch of the Imperial Bank the cheques should be drawn in favour of the local Agent. In the case of purchases made at a Government Office or a Post Office, the cheque should be drawn in favour of the officer to whom the application is presented.

(a) By cash or cheque.

Payment may also be made by tender of War Bonds, 1923, 1925 and 1928, for the Bonds and Loan as the case may be as laid down in paragraphs 5 and 9. As the value of the War Bonds tendered will not ordinarily correspond exactly to the price payable for the amount of Bonds or Loan applied for, it will be at the option of the tenderer either to pay in cash the further amount required to make up an exact multiple of the issue price per cent. of the Bonds, or Loan, as the case may be, or to have the broken amount refunded to him in cash.

(b) By tender of War Bonds.

Applicants who tender War Bonds in payment must transfer such Bonds to Government (*a*) in the case of Promissory Notes by endorsing these with the words "Pay to the Governor-General in Council" over their signature, and (*b*) in the case of Stock, by signing the form of transfer deed on the back of the Stock Certificate before a witness. In the case of Bearer Bonds no writing is necessary.

(c) By tender of Indian Treasury Bills.

Payment at the Local Head Offices of the Imperial Bank of India at Calcutta, Bombay and Madras and at the branches of that Bank at Cawnpore, Lahore, Delhi, Rangoon and Karachi, may also be made in Indian Treasury Bills which will be accepted as cash at their face value *less* a discount calculated at the rate of 4 per cent. per annum on the unexpired portion of the currency of the Bill.

(d) By withdrawal of Savings Banks deposits or tender of Post Office 5-year Cash Certificates.

Payment at post offices may also be made by the withdrawal of sums at the credit of the applicant in the Post Office Savings Bank, or in Post Office 5-year Cash Certificates which will be accepted in lieu of cash equivalent to their surrender value.

Brokerage.

16. Brokerage will be paid to recognized bankers and brokers on applications for the Bonds or Loan bearing their stamp. The rate will be $\frac{1}{8}$th per cent. when payment is made in the form of Treasury Bills and $\frac{1}{4}$th per cent. in the other cases.

Purchase of Bonds or Loan in London.

17. Applications for Stock or Promissory Notes will also be received at the London Office of the Imperial Bank of India, 5, Whittington Avenue, E. C. 3, on payment in sterling of the purchase price of the Bonds or Loan applied for at the rate for telegraphic transfers on Calcutta on the date of payment.

Applications for conversion of War Bonds, 1923, 1925 and 1928, will also be received at the London Office of the Imperial Bank of India.

Anticipatory interest on the Bonds or Loan will be paid by the London Office of the Imperial Bank of India at the time of application by means of Rupee drafts on India which will be negotiated by them, if the recipient so desires, at the current rate on the date of payment of subscription. When War Bonds are tendered for purchase of Bonds or Loan interest on War Bonds so tendered at 5½ per cent. up to the day preceding the date of tender will also be paid by the Imperial Bank by means of Rupee drafts. Any broken amounts left over after conversion of War Bonds will be paid by the Imperial Bank in the same way.

The Imperial Bank of India will send weekly advices to the Public Debt Office, Calcutta, of all applications received by them for subscriptions paid in cash or by tender of War Bonds and the latter will forward the scrip direct to the applicants.

(*iv*) in clause (*c*) for the words "the year" the words "the said year" and for the words "an entire" the word "the" shall be substituted.

STATEMENT OF OBJECTS AND REASONS.

It has been represented that the immediate levy under the Calcutta Municipal Act, 1923, of the consolidated rate at the full percentage on lands and buildings in the areas newly added to Calcutta may cause hardship to the inhabitants of those areas. It is therefore considered that special provision should be made in respect of the consolidated rate that may be levied from those areas during the five years 1924-25 to 1928-29. During the first year (1924-25) it is proposed that the total amount of the consolidated rate to be levied in respect of any one of these areas shall not exceed the sum total of the rate on holdings, the latrine fees, the water rate and the lighting rate levied in respect of the area during the year 1923-24. During the succeeding four years it is proposed that the Corporation do have a discretion to reduce, in respect of any of the added areas, the percentage fixed for the year for the purposes of the levy of the consolidated rate on lands and buildings in Calcutta generally.

It has also been represented that the provisions of the Calcutta Municipal Act, 1923, in regard to the framing of the first Budget so far as that Budget relates to the areas newly added to Calcutta, are insufficient, and that difficulty may arise in regard to the collection of the consolidated rate and taxes for those areas, and that the added areas are entitled to some sort of representation at the time of the framing of the Budget for the year 1924-25. Provision has therefore been made for the preparation of the 1924-25 Budget Estimates of the Corporation of Calcutta by a Special Committee, on which three representatives of the Cossipore-Chitpur Municipality and two representatives of the Maniktala and the Garden Reach Municipalities shall sit together with the members of the General Committee of the Calcutta Corporation. The Budget Estimate as so prepared will be placed before the Corporation and the seven members aforesaid will be added to the Corporation for the purposes of the discussion and passing of the said Budget and the fixing of the consolidated rate and taxes.

In order that the preliminary draft of the Budget for 1924-25 and other preliminary work in connection with the inclusion of the added areas may be undertaken in good time, power is taken under clause 6 of the Bill to the Chairman and his officers to inspect and take extracts from the assessment books and other records relating to the added areas.

Finally, by clause 7 an amendment is made to give effect to the intention of section 20 of the Act as declared by the Hon'ble the Minister in the Council. The final draft does not carry out the intention that the minimum qualification of an elector under clause (*a*) of sub-section (*1*) of section 20 shall be the payment of twelve rupees per annum by way of consolidated rate or taxes. This has now been corrected and the opportunity has been taken to make the drafting of this clause more explicit and homogeneous.

GOVERNMENT OF BENGAL.

FINANCE DEPARTMENT.

Finance.

DARJEELING, THE 8TH JUNE 1923.

RESOLUTION—No. 734T.-F.

READ—

Letter from the Government of India, Finance Department, No. 914 E.B., dated the 14th July 1921, authorising Provincial Governments to deal with the cases of compassionate gratuities to the families of Government servants who are paid from Provincial Revenues, and the Government of India, Finance Department, letter No. 892, dated the 1st May 1923, conveying the sanction of the Secretary of State to the formation of a compassionate fund for each Province.

Up to now grants of compassionate gratuities to the families of deserving Government servants left in indigent circumstances have been made from the compassionate fund which has been maintained by the Government of India for the services directly under them and for those under Provincial Governments. With the inception of the Reformed Constitution, however, it has devolved on Local Governments to maintain a compassionate gratuity fund for the relief of the families of Government servants paid from Provincial Revenues. The sanction of the Secretary of State has, accordingly, been obtained to the constitution of such a fund, and the creation of a single compassionate fund for officers serving under all departments of Government has accordingly been authorised to meet the grant of compassionate gratuities to the dependants of deceased Government servants.

The compassionate fund is intended for the relief of families of Government servants left in indigent circumstances through the premature death of the person upon whom they depended for support. It is formed by an annual grant of Rs. 10,000, out of which the unexpended balance of one year's grant to the extent of Rs. 5,000 may be carried forward to the credit of similar expenditure in succeeding years. The maximum limit of expenditure in any single year is Rs. 15,000.

2. The rules which regulate a grant from the fund have been laid down in the memorandum annexed herewith. It should be clearly understood that the establishment of the fund in no way involves any relaxation of the fundamental principle that it is the duty of every Government officer to provide for his family. But hard cases will sometimes occur in the event of premature death, and the object of the fund is to give temporary assistance to families which are in exceptionally distressed circumstances.

ORDER.—Ordered that the resolution be published in the *Calcutta Gazette* and forwarded to the several departments of this Government; the Secretary to the Board of Revenue, Bengal; Director of Public Instruction, Bengal; Surgeon-General with the Government of Bengal; Inspector-General of Police, Bengal; Inspector-General of Prisons, Bengal; Superintending Engineers; Commissioners of Divisions; District and Sessions Judges; Conservator of Forests, Bengal; Commissioner of Excise and Salt, Bengal; Director of Agriculture, Bengal; Director of Land Records and Surveys, Bengal; Collector of Customs, Calcutta; Presidency Senior Chaplain, Church of Scotland; Advocate-General, Bengal; Director of Public Health, Bengal, Inspector-General of Registration, Bengal; Commissioner of Police, Calcutta; the Ven'ble the Archdeacon of Calcutta; all District Officers; Superintendent and Remembrancer of Legal Affairs, Bengal; Chief Judge, Small Cause Court, Calcutta; Private Secretary to Governor of Bengal;

Military Secretary to Governor of Bengal ; Administrator-General and Official Trustee, Bengal ; Registrar of Co-operative Societies, Bengal ; Chief Presidency Magistrate, Calcutta ; Chief Engineer, Public Health Department, Bengal ; Port Officers, Calcutta and Chittagong ; Superintendent, Royal Botanic Garden, Calcutta ; Protector of Emigrants and Superintendent of Emigration, Calcutta ; Agent for Government Consignments, Bengal ; Registrar of Joint Stock Companies, Bengal ; Director of Fisheries, Bengal ; Veterinary Adviser to the Government of Bengal ; Coroner of Calcutta ; Municipal Magistrate, Calcutta ; Collector of Customs, Chittagong ; Superintendent, Government Printing, Bengal ; Director of Industries, Bengal ; and Superintendent, Census Operations, Bengal, for information and communication to all subordinate officers, and to the Accountant-General Bengal for information.

By order of the Governor in Council,

A. MARR,

Secretary to the Government of Bengal.

Memorandum.

1. The conditions which regulate a grant from the fund are—

(1) Grants from the fund are restricted to cases of an exceptional character.

(2) The deceased officer must have been a meritorious public servant Unusually meritorious service gives special claim for consideration.

(3) Death due to special devotion to duty establishes a strong claim for consideration.

(4) In other cases regard should be had to the urgency of the necessity for relief and to the extent of distress in the destitute family.

(5) Other things being equal, preference should be given to those who have been on low rates of pay.

(6) As a general rule, a grant should not be given if the salary of the deceased officer exceeded Rs. 500 a month.

(7) Assistance should seldom be given to families of gazetted officers, except so far as it may be necessary to assist them to obtain a passage home.

(8) Care should be taken that too many grants are not made to families of officers who have been serving at the headquarters of the Government of Bengal.

2. The rules for sanctioning grants are—

(1) No pension is granted from the fund, but in some cases yearly grants are made for a limited period to defray the expenses of the education of children.

(2) The maximum gratuity payable in any individual case is Rs. 2,500. The precise amount in all cases is fixed according to the number in the family and the necessities of the case, the equivalent of a year's pay of the deceased being considered a suitable maximum in cases in which the circumstances are such as to require liberal treatment, but in most ordinary cases six months' pay is regarded as sufficient.

3. Applications for assistance from the fund will be submitted direct to the Finance Department by the Commissioner or head of the department under whom the deceased officer was employed at the time of his death. The fund will be administered by a committee constituted as follows :—

(1) The Finance Member.

(2) A Minister to be nominated by His Excellency.

(3) The Chief Secretary.

The committee will meet once every three months. On receipt of an application in the Finance Department, the facts will be summarized and put up without comment. The committee's decision will be communicated by the Finance Department direct to the authority submitting the application, the department concerned, and to the Accountant-General, Bengal. If payment is to be made to a person resident in England, the Finance Department will also address the India Office.

5. Cases relating to grants from the compassionate fund will not be submitted to His Excellency the Governor.

NOTIFICATION.

No. 1361L., dated the 23rd June, 1923.—His Excellency the Governor having been pleased to order, under rule 18 of the Bengal Legislative Council Rules, 1920, the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information. It is proposed to introduce and pass the Bill at the meeting of the Bengal Legislative Council commencing on the 2nd July, 1923.

THE BENGAL CHILDREN (AMENDMENT) BILL, 1923.

A

BILL

to amend the Bengal Children Act, 1922, with a view to facilitate its early extension to the town and port of Calcutta, the suburbs of Calcutta and Howrah.

Preamble

WHEREAS it is expedient to amend the Bengal Children Act, 1922, in the manner hereinafter appearing; Ben. Act II of 1922

And whereas the previous sanction of the Governor General has been obtained under sub-section (*3*) of section 80A of the Government of India Act to the passing of this Act; 5 & 6, Geo. V, c. 61; 6 & 7, Geo. V, c. 37; 9 & 10, Geo. V, c. 101.

It is hereby enacted as follows:—

Short title.

1. This Act may be called the Bengal Children (Amendment) Act, 1923.

Amendment of section 1 of Bengal Act II of 1922.

2. In sub-section (*2*) of section 1 of the Bengal Children Act, 1922 (hereinafter referred to as the said Act), after the words "force" the words "in whole or in part" shall be inserted and after the word "direct" the words "and for this purpose different dates may be appointed for different provisions of this Act and for different parts of the area defined in sub-section (*3*)" shall be added.

Amendment of section 28.

3. To section 28 of the said Act the following shall be added, namely:—

"(*4*) Notwithstanding anything contained elsewhere in this Act, no order shall be passed sending a child to an industrial school, unless the court is satisfied that accommodation suitable for such child is available."

Amendment of section 37.

4. To section 37 of the said Act the following shall be added, namely:—

"(*3*) Notwithstanding anything contained in the Code of Criminal Procedure, 1898, a Juvenile Court established for the suburbs of Calcutta, as defined by notification under section 1 of the Calcutta Suburban Police Act, 1866, or a Magistrate of the district of the 24-Parganas exercising powers under this Act, may inquire into and try in such place within Calcutta as the Local Government may direct the case of any child or young person who is accused of committing any offence within those suburbs, and such inquiry or trial shall, for the purposes of jurisdiction be deemed to be held in the suburbs of Calcutta as so defined.

Any such accused person may be detained, pending trial or on conviction, in any place in Calcutta, which is set apart, under the provisions of this Act or the rules made thereunder, for the reception of children or young persons."

STATEMENT OF OBJECTS AND REASONS.

The Bengal Children Act, 1922, has not yet been extended to the town and port of Calcutta, the suburbs of Calcutta and Howrah, partly owing to the difficulty of obtaining certified industrial schools and partly owing to the financial stringency. There are in Calcutta already a Juvenile remand home and a Juvenile Court in which there is accommodation sufficient to provide for the requirements both of Calcutta and its suburbs, but the Government have been advised that under section 37, as at present framed, it would not be legal in view of section 177 of the Code of Criminal Procedure for the Magistrates of the suburbs, when trying offences arising within their jurisdiction, to sit in that Court, as it is outside their jurisdiction. To avoid, therefore, the large expense which would be necessary in order to create a separate Court and a remand home in the suburbs, it is proposed to take power to permit Magistrates to try within Calcutta cases against children and young persons for offences alleged to have been committed in the suburbs, such trials to be deemed to be trials in the suburbs.

2. There are some clauses in the Act which create offences against children and which will be tried by the ordinary Courts. These could be introduced at once. Other clauses give statutory powers to Probation Officers and provide for placing children and young persons in suitable custody, and these provisions also might be brought in at once. Owing to the difficulty, however, of providing or certifying industrial schools for different communities in Calcutta, it is not possible at present to permit orders to be passed sending children to industrial schools. A house for a Court and remand home has not yet been found in Howrah, and there may have to be delay in extending the Act to it. The Bill therefore provides that different parts of the Act may be brought into force on different dates for different areas, and that orders of detention in industrial schools shall not be passed in respect of any child, unless there is any industrial school certified with suitable accommodation. It is hoped that the different communities will come forward to assist Government on behalf of unfortunate children of their communities by opening industrial schools with Government aid, and thus enable Government to bring the industrial school system fully into force at an early date.

THE BENGAL TENANCY (UTBANDI AMENDMENT) BILL, 1923.

A

BILL

to supplement and amend the Bengal Tenancy Act, 1885, in order to provide means whereby a uniform annual money rent may be fixed for lands held under the custom of Utbandi and to make further provision in respect of such lands.

Preamble

WHEREAS it is expedient to supplement and amend the Bengal Tenancy Act, 1885, in order to provide means whereby a uniform annual money-rent may be fixed for lands held under the custom of *utbandi*, and to make such other provisions as hereinafter appear in respect of lands for which a uniform annual rent has been so fixed ; 5 & 6 Geo V., c. 61; 6 & 7 Geo V., c. 37; 9 & 10 Geo. V., c. 101.

And whereas the previous sanction of the Governor General under sub-section (*3*) of section 80A of the Government of India Act has been obtained to the passing of this Act;

It is hereby enacted as follows :—

Short title and extent

1. (*1*) This Act may be called the Bengal Tenancy (Utbandi Amendment) Act, 1923.

(*2*) It extends to the whole of Bengal.

Insertion of new sections 180A and 180B in Act VIII of 1885.

2. After section 180 of the Bengal Tenancy Act, 1885, the following sections shall be inserted, namely :—

"180A. (*1*) Notwithstanding anything contained in section 180 when a raiyat holds or has held land under the custom of *utbandi*, either the landlord or the raiyat may apply to have a uniform annual rent determined for the land.

Fixing of uniform annual rent in respect of *utbandi* lands.

(*2*) The application shall include at the discretion of the applicant either—

(*a*) all the lands held under the custom of *utbandi* by the same tenant under the same landlord in which the tenant has acquired a right of occupancy whether under the provisions of section 180 or otherwise, or

(*b*) all the lands held under the same landlord by the tenant which the tenant has cultivated under the custom of *utbandi* at any time during the preceding period of six years if he is the last person to have cultivated the land and has not acquired occupancy rights therein, or

(*c*) both.

(Clause 2.)

(*3*) The application may be made to the Collector or to a Subdivisional Officer or to a Revenue Officer appointed by the Local Government under the designation of Settlement Officer or Assistant Settlement Officer for the purpose of making a survey and record-of-rights under Chapter X or to any other officer specially authorised by the Local Government.

(*4*) The case may be determined by the officer who receives the application, or the Collector or the Settlement Officer may transfer it for disposal to some other officer competent under sub-section (*3*) to receive applications.

(*5*) The officer receiving the application or the officer to whom the case is transferred as the case may be shall cause notice to be given in the prescribed manner to the opposite party, and shall fix a date for the determination of the case.

(*6*) If the application refers to lands in which the tenant has not acquired occupancy rights, the officer may reject it in whole or in part in respect of such lands, if he is satisfied in view of all the circumstances of the case that it is unreasonable to grant it:

Provided that a refusal shall be no bar to proceedings being again taken under this section after five years from the date of refusal if circumstances have in the meantime changed.

(*7*) If the application is not wholly rejected, the officer shall then determine the sum to be paid as a uniform annual rent, and also in the case of lands in which the tenant has not acquired occupancy rights, a premium to be paid to the landlord, and he shall order that the tenant shall, in lieu of paying the rent under the custom of *utbandi*, pay the sum so determined and the premium, if any.

(*8*) In making the determination of the sum to be paid as rent, the officer shall have regard to—

(*a*) the average money rent payable by occupancy raiyats for land of a similar description and with similar advantages in the vicinity;

(*b*) the average of the rents actually paid or payable to the landlord on account of the lands during the previous six years or during any shorter period for which evidence may be available;

(*c*) the rates for lands of a similar description and with similar advantages in the vicinity held under the custom of *utbandi*;

(Clause 2.)

(*d*) the rent payable for lands of a similar description and with similar advantages in the vicinity by raiyats who formerly paid their rent for those lands under the custom of *utbandi* but whose rents have been converted into uniform annual rents whether under this section or by agreement or otherwise ;

(*e*) the charges incurred by the landlord in respect of irrigation under the custom of *utbandi* and the arrangements made on settlement of the uniform annual rent for continuing those charges ;

(*f*) the rules laid down in this Act for the guidance of the Civil Courts in enhancing or reducing rents on account of the holdings of occupancy raiyats ;

(*g*) any sum agreed to by the parties to be paid as money rent :

Provided that the officer shall in no case determine a rent which is unfair or inequitable.

(*9*) The premium to be paid to the landlord in the case of lands in which the tenant has not acquired occupancy rights shall be three times the rent, or if the application is made under sub-clause (*c*) of sub-section (*2*), three times the portion of the rent determined under sub-section (*7*) on account of such lands :

Provided that the determining officer may, on the application of the tenant, if he considers that it is a hardship to the tenant to pay a premium, commute the same by ordering that, in lieu of the payment of a premium, the uniform annual rent or portion of the rent, as the case may be, on account of the lands in respect of which the premium was so payable, be increased by a sum equal to 20 per cent. of such rent or portion of rent.

(*10*) The order shall be in writing, shall state the grounds on which it is made, and shall, in the absence of any special reasons to the contrary recorded in writing, take effect from the beginning of the agricultural year next after the date on which it is made.

(*11*) The officer may, on the application of the tenant, order that the premium shall be paid by instalments not exceeding three in number, that the first instalment shall be paid at the beginning of the agricultural year in which the rent settled under sub-section (*7*) takes effect and that one of remaining instalments shall be paid at the beginning of each of the succeeding agricultural years until the premium is paid in full.

(Clause 2.)

(*12*) The premium or the instalments thereof shall be payable and recoverable as rent, but interest shall only be awarded in respect of such instalments as are not paid by the date fixed under sub-section (*11*).

(*13*) The order shall be subject to appeal in the manner provided in section 109A, unless the application has been made in the course of proceedings under Part II of Chapter X, in which case the provisions of sections 104G and 104H shall apply.

(*14*) Notwithstanding anything contained elsewhere in this Act or in any other law, no suit shall be brought or application made in any court in respect of any order passed under this section, save as is provided in this section.

Lands in respect of which a uniform annual rent has been fixed under section 180A to cease to be *utbandi* lands

"180B. Whenever an order under section 180A is passed determining a uniform annual rent for any lands, such lands shall cease to be deemed to be held under the custom of *utbandi* with effect from the date from which the new rent takes effect, and the tenant shall hold them as an occupancy raiyat from the date of the order.

STATEMENT OF OBJECTS AND REASONS.

The *utbandi* tenancy is a peculiar tenancy, mainly confined to the districts of Nadia and Murshidabad. It is not governed by the ordinary law of landlord and tenant but by section 180 of the Bengal Tenancy Act, which retards the acquisition of occupancy rights and restricts the application of ordinary raiyati rights, in any part of the country where the custom of *utbandi* prevails, in lands ordinarily let out under that custom and for the time being let out under that custom. The tenancy has been described as follows: "The holding is not fixed either in area or in position but consists of a variable parcel or parcels of lands ascertained by a measurement or inspection made at least once a year. The rent is fixed for each year or season in respect of the parcel or parcels of land which has been ascertained by the said measurement or inspection to have been during the year or season in question in the cultivation of the raiyat". The system has, however, now largely developed in practice into a species of settled cultivation, in which it is undesirable to restrict the acquisition of ordinary raiyati rights or to retard the acquisition of occupancy rights. A change in the law is therefore called for, and the Committee who were appointed by Government in 1921 to consider the amendment of the Bengal Tenancy Act, 1885, recommended that the law should be so modified as to enable *utbandi* tenancies to be converted into ordinary raiyati holdings by the commutation of *utbandi* rents into ordinary raiyati rents somewhat on the lines of section 40 of the Bengal Tenancy Act. In view also of the fact that the *utbandi* problem is a local one, affecting portions of a few districts only and having little connection with the main principles underlying the general Amendment Bill proposed by them, they recommended that the matter should be dealt with by separate legislation. The present Bill has accordingly been drafted separately on the basis of section 40 of the Bengal Tenancy Act. The notes on clause 2 explain any material departure from that section.

Notes on clause 2.

Section 180A(2).—This deals with the lands which can or must be included in the application for conversion of the *utbandi* rents. It makes provision for the inclusion of lands in which occupancy rights have accrued separately from those in which they have not accrued, because in the second case it may not be equitable to determine any ordinary uniform rent at all, whilst there is no reason in the first case why any application for conversion should be refused. It has also been provided that, in the case of lands in which the raiyat has not acquired occupancy rights, all those lands which the raiyat has cultivated under the same landlord under the custom of *utbandi* at any time during the preceding period of six years, if he is the last person to have cultivated the lands, must be included in the application. This is intended to save the landlord from having the worst lands thrown on his hands by the tenant making a selection only of the best lands he has cultivated during a cycle of cultivation.

Section 180A(4).—This provides for the transfer of the application to another officer for disposal.

Section 180A(5).—This provides for the initial procedure in dealing with the application. It is expected that most applications will be heard locally.

Section 180A(6).—This proposed sub-section provides for the differential treatment of applications relating to lands in which the raiyat has not acquired occupancy rights referred to in the note under proposed sub-section 180A(2).

Section 180A(7).—This proposed sub-section introduces the payment of a premium for conversion in the case of lands in which the raiyat has not acquired occupancy rights. This is warranted by the proposal that under section 180B he should obtain occupancy rights in such lands.

Section 180A (8).—This sub-section deals with the considerations to which the officer determining the sum to be paid as rent shall have regard on the lines of section 40 of the Act. It is also proposed under section 180A *(8)(d)* that other rents which have been converted into uniform annual rents should be taken into consideration. Further, in view of the fact that *utbandi* rents are money-rents, and not the produce-rents contemplated by section 40, it is proposed in sub-section 180A *(8)(f)* that regard should be had to the rules laid down in this Act for the guidance of the civil courts in enhancing or reducing rents on account of the holdings of occupancy raiyats. Proposed sub-section 180A *(8)(g)* provides that any sum agreed to by the parties to be paid as money-rent should be taken into consideration.

Section 180A (9).—It is proposed, in order to simplify the procedure, that the premium should be a fixed multiple of the rent. For the present three times the rent has been inserted in the Bill. As, however, the compulsory payment of a premium might prevent raiyats applying for conversion, it is proposed, where it would be a hardship on the tenant to pay a premium, that he should in lieu thereof pay an additional sum of 20 per cent. to be added to the rent determined for the land in which he has not acquired occupancy rights.

Section 180A (11).—For similar reasons it is proposed that the premium should be made payable in instalments not exceeding three.

Section 180A (12).—This sub-section makes the premium payable and recoverable as rent.

Section 180A (13).—This sub-section provides for appeals.

Section 180A (14).—This prevents the proceedings under this section being upset in any way, except as provided by the section.

Section 180B.—It is proposed that when an *utbandi* rent has been converted into a uniform annual rent for any lands, such lands should cease to be deemed to be held under the custom of *utbandi*, and the raiyat should hold them as an occupancy raiyat.

It is proposed to introduce and pass the Bill at the meeting of the Bengal Legislative Council commencing on the 2nd July, 1923 :—

THE BENGAL SMOKE-NUISANCES (AMENDMENT) BILL, 1923.

A

BILL

further to amend the Bengal Smoke-Nuisances Act, 1905.

Preamble.

WHEREAS it is expedient further to amend the Bengal Smoke-Nuisances Act, 1905, in the manner hereinafter appearing; Ben. Act III of 1905

And whereas the previous sanction of the Governor General under sub-section (3) of section 80A of the Government of India Act has been obtained to the passing of this Act; 5 & 6, Geo. V, c. 61; 6 & 7, Geo. V, c. 37; 9 & 10, Geo. V, c. 101

It is hereby enacted as follows :—

Short title.

1. This Act may be called the Bengal Smoke-Nuisances (Amendment) Act, 1923.

Amendment of sections 6 and 7 of Bengal Act III of 1905.

2. (*1*) To clause (*a*) of sub-section (*1*) of section 6 of the Bengal Smoke-Nuisances Act, 1905, as amended by subsequent legislation (hereinafter referred to as the said Act), the words "clamps for making bricks, or," shall be added.

(*2*) In sub-section (*2*) of section 6 and in three places in section 7 of the said Act after the word "kiln" the word "clamp" shall be inserted.

Amendment of section 10.

3. In sub-section (*2*) of section 10 of the said Act—

(*a*) the word "and" at the end of clause (*j*) shall be omitted; and

(*b*) after clause (*j*) the following shall be inserted, namely :—

"(*jj*) prescribe a scale of fees for the examination and approval of plans, the inspection and testing, and the grant of permission for the working of furnaces, flues and chimneys and generally for the services of Inspectors; and."

STATEMENT OF OBJECTS AND REASONS.

The Bill is introduced to carry into effect the second recommendation of paragraph 335 of the Report of the Bengal Retrenchment Committee with regard to the Smoke-Nuisances Commission, which is "We also think that fees should be charged for the passing of plans of installations, for testing these, and also for giving advice."

The existing Act does not permit the levying of such fees, and by the present amendment it is proposed to enable Government to prescribe a scale of fees for the purposes enumerated in the section.

Advantage has also been taken of this occasion to introduce another small amendment in section 6(*1*)(*a*) of the Act. Under a recent ruling of the High Court a "kiln" does not include a "clamp." It is therefore proposed to make the Act complete by introducing the words "clamps for making bricks" after the word "lime-kilns" in section 6(*1*)(*a*) with consequential amendments in 6(*2*) and section 7.

RESOLUTION ON THE REPORT ON THE ADMINISTRATION OF JAIL DEPARTMENT IN THE PRESIDENCY OF BENGAL FOR THE YEAR 1922.

GOVERNMENT OF BENGAL.

REVENUE DEPARTMENT.

Jails.

DATED CALCUTTA, THE 23RD JUNE 1923.

RESOLUTION—No. 4577 J.-R.

READ—

The Report on the Administration of Jail Department in the Presidency of Bengal for the year 1922.

READ ALSO—

The Reports for the years 1921 and 1920 and the resolutions of Government recorded thereon.

The total number of prisoners admitted in the jails in this Presidency during the year was 84,985 or 1,619 more than in 1921, and the daily average

number was 15,219·98 against 14,660·83 in the previous year. The increase was due to the admission of a large number of prisoners who had been convicted of offences in connection with the non-co-operation movement. This was the outstanding feature of the year. Endeavours were made by the non-co-operators to overwhelm Government by forcing them to stop taking action against the non-co-operators; and in order to show that Government were prepared to carry out the law, steps were taken by Government to construct or open temporary additional jails to cope with the threatened increase in numbers. On the 1st January 1922, the numbers of such prisoners stood at 3,617, but fortunately they did not increase. Only the temporary jail which had been opened at Kidderpore at the end of the previous year was actually required, though one was constructed at Kanchrapara and the European Ward of the Mental Hospital at Berhampur was temporarily converted into a special jail for female prisoners in case of conviction. By the 30th December the numbers had fallen to 162. This was due not only to the expiry of the active phase of the movement and of sentences in the ordinary course, but also to the clemency of Government in the remission of sentences.

At first, owing to the large influx into the jails of better class non-co-operation prisoners, temporary rules were issued creating a special class for prisoners possessing a better education and higher social status and with a higher standard of living than the ordinary convict without regard to their character or the character of their offence. This classification, was, however, too wide. Subsequently, these rules were superseded by revised rules prescribing differential treatment for a more restricted class of prisoners certified by Government to be special class prisoners on account not only of their status and education but also of their character and the character of their offence. The district jail at Berhampore has now been set aside for the accommodation of such prisoners.

2. The presence of these prisoners and the differential treatment accorded to them resulted inside the jails in a general deterioration of the standard of discipline amongst the ordinary convicts. Outside the jails their imprisonment aroused an unusual amount of public interest in the jail administration. Many garbled and unwarranted accounts of alleged harsh treatment towards non-co-operation prisoners that were published in newspapers excited undue sympathy which reflected itself inside the jails in an attempt to upset discipline and to make the administration of the jails impossible. Public criticism reached its height in a lengthy and exacerbated discussion in the Legislative Council in August on the whipping which had to be inflicted on certain prisoners in the Barisal Jail for grave and persistent breaches of discipline. The spirit of insubordination among the dangerous characters confined in the Presidency Jail culminated in open mutiny on two occasions, once on the 26th April and again on the 1st October 1922. On the first occasion the prisoners mutinied in the mistaken belief that a Muhammadan ordinary convict, who was missing from his file at roll call in the early morning, and had actually been assaulted by a head warder, had been assaulted whilst at prayers. The second outbreak arose from the circulation in the jail of a false rumour that one of the convicts was being tortured in the jail hospital. The incidents of both the outbreaks have already been dealt with in this Government's resolutions Nos. 7490R.J. and 589T.R., dated the 8th August and 10th October 1922, respectively. As a result of the subsequent investigations six convicts who were ringleaders in the first outbreak were judicially prosecuted. One of them was sentenced to rigorous imprisonment for two years, three for 18 months and two for one year. The other prisoners who took an active part in both the outbreaks were dealt with under the Jail Code rules. Of 45 loyal prisoners who rendered good service, eight were released and thirty-seven were granted liberal remissions of their sentences. Those of the warder staff who rendered conspicuous service in the first outbreak have been suitably rewarded; and the offending head warder was punished.

Two other effects must be noted of the presence of these non-co-operation prisoners. The first is that the disorganisation caused by such a large influx affected the earnings from jail industries adversely;

whilst the second is that apart from the extra expenditure on buildings, the major portion of the extra cost of guarding and maintaining prisoners, Rs. 3,49,462, over that of the previous year was due to the special diet, clothing and bedding of special class prisoners. It is not out of place to remark in these days of retrenchment that the efforts of the non-co-operators resulted in an extra expenditure of public revenues during the year of roughly seven lakhs altogether on the administration of jails.

3. During the year a certain amount of progress was made in giving effect to such of the recommendations of the Indian Jails Committee as could be adopted without any or much additional expense. These are catalogued in paragraph 3 of the report. Owing to the financial condition of the province many recommendations of the Committee have had to be accepted in principle only ; and their practical materialisation has been left to better days.

On the report of a special committee appointed to advise Government as to the religious needs of the different communities in jails, rules have, since the close of the year, been inserted in the Jail Code regarding the religious observances of Hindu and Muhammadan prisoners in jails in this Presidency and other minor matters connected therewith. Provision has also been made for granting holidays to Hindu and Muhammadan prisoners on the occasion of their principal religious festivals.

4. The Inspector-General of Prisons has again drawn attention to the overcrowded state of many jails for part of the year. Closely connected with the necessity for additional accommodation is that of segregating first offenders and persons charged with petty offences from habituals and grave offenders both in the convict and under-trial wards, a necessity which has been strongly urged by the Jails Committee. The Committee have also recommended the desirability of concentrating prisoners by the construction of more central jails and the conversion of district jails into sub-jails. These questions are engaging the attention of the Governor in Council, though in the present financial position of the Government of Bengal it is impossible to carry these proposals into effect to any great extent.

5. There was a further increase in the number of prisoners under 16 years, the number being 687 against 338 in 1921. The increase was mainly due to the effect of the non-co-operation movement on young persons. A scheme is under preparation for the establishment of a reformatory school and other industrial schools prescribed by the Bengal Children's Act. The majority of juvenile offenders now in jails will, when the scheme matures, be treated in these schools. The Juvenile Jail continued to do useful work ; and the introduction of the star class system shows a gradual diminution in the number of offences committed by the boys. The Calcutta Prisoners' Aid Society is the only institution of the kind which has assisted during the year released boys with employment, etc., in its own workshops and other private firms and families.

6. The large percentage of sentences to short terms of imprisonment is a matter which calls for comment. During the year under review the percentage of sentences not exceeding one month is 31·13, of sentences above one month and not exceeding three months 23·93, and above three months and not exceeding six months 18·21. Thus 73·27 per cent. of the total number of convicts admitted during the year were under sentences not exceeding six months, and out of a total of 5,959 prisoners convicted of thefts 1,585 or above 26 per cent. had sentences not exceeding one month. The question whether it would be feasible to reduce the large number of prisoners with short sentences has been referred to the High Court, Calcutta.

7. In spite of an increase of 559·15 in the daily average population over that of 1921 and the spirit of insubordination the total number of offences dealt with in jails was 16,823 against 16,338, showing an increase of 485 offences only. Minor punishments inflicted were 13,229, inclusive of warning 3,902, and major punishments 3,555 against 12,374, 3,229 and 3,400 in 1921. Whipping was inflicted in 73 cases against 33 in 1921 ; 53 cases were in connection with the mutinies in the Presidency Jail.

8. The system of accounts in the Presidency, Alipore Central and Juvenile Jails have been examined by the representatives of Messrs. Price, Waterhouse and Company, Chartered Accountants, London, who have recommended a commercialised system of accounting under which a record of the actual times during which convicts are employed on the various industries would be maintained and the labour cost of running them more accurately credited to the jails. The matter is now under the consideration of Government.

9 The sick-rate, 43·0 per mille, showed a satisfactory diminution as compared with the preceding four years. The death-rate, 18·7 per mille, though higher than in 1921, was below that of the preceding three years. There was a marked fall in the death-rate from pulmonary tuberculosis.

10. The administration of prisons in Bengal during the year, conducted as it was under unusual difficulties, reflects credit on the Inspector-General of Prisons; and the thanks of the Governor in Council are due to Lieutenant-Colonel Thompson and Lieutenant Colonel Hamilton for their efficient administration of the department. The superior jail staff had a trying time as they had to cope with a spirit of insubordination inside the jails and to suffer constant criticism from without. His Excellency in Council acknowledges with pleasure the good services of the various officers who have been directly responsible for prison administration during the year and are specially mentioned in the report.

ORDER.—Ordered that a copy of this resolution be forwarded to the Inspector-General of Prisons, Bengal, for information.

Ordered that a copy of this resolution and a copy of the report be submitted to the Government of India in the Home Department.

Ordered also that the resolution be published in the *Calcutta Gazette*.

MONTHLY WEATHER AND CROP REPORT OF BENGAL FOR MAY 1923.

I. **Character of the Season.**—Excepting Birbhum, Jalpaiguri and Cooch Behar the rainfall was in defect of the average, specially in the western districts. The usual rainfall statement is appended.

II. **Progress of agricultural operations.**—Sowing, of jute and autumn paddy progressed very slowly in West Bengal during the early part of the month; but the rainfall towards the second and third weeks facilitated the operations. In North Bengal sowings were still in progress in the highland tracts. Weeding of jute and other autumn crops was proceeding under favourable conditions throughout Eastern Bengal.

III. **State of standing crops.**—The state of standing crops was generally reported to be satisfactory except in West Bengal where want of rain was keenly felt.

IV. **Prospects and probable outturn.**—The outlook of the standing autumn crops except in West Bengal was, on the whole, promising. The outturn of wheat was estimated at 75 per cent., and that of spring oilseeds at 78 per cent. of the normal.

V. **Damage to standing crops.**—No damage was reported from any part of the province except Cox's Bazar where considerable damage to property has been caused by a cyclone.

VI. **Condition of agricultural stock.**—The condition of live-stock was generally fair. Stray cases of cattle-disease were, however, reported from the 24-Parganas, Nadia, Murshidabad, Khulna, Burdwan, Birbhum, Midnapore, Howrah, Rajshahi, Darjeeling, Rangpur, Cooch Behar, Dacca, Mymensingh, Faridpur, Tippera and Noakhali.

VII. **Failure of pasturage and fodder.**—Scarcity of fodder was reported from Pabna and that of fodder and water from Noakhali.

VIII. **Prices of food-grains.**—During the second fortnight of the month the prices of common rice of the cheapest quality rose in 4 districts, fell in 5 and remained stationary in the rest of the province. The price varied from 6 seers 8 chitaks per rupee at Darjeeling to 9 seers per rupee at Dinajpur.

IX. **Condition of agricultural population.**—The condition of agricultural population was reported to be fair on the whole. Test relief works continued in the flood-affected tracts of Rajshahi.

Scrutiny of nominations.

XX. On the date appointed by the Local Government for the scrutiny of nominations under sub-rule (*2*) of rule 11 the candidates, their election agents, one proposer and one seconder of each candidate, and one other person duly authorised in writing by each candidate, but no other person, may attend at such time and place as the returning officer may appoint, and the returning officer shall give them all reasonable facilities for examining the nomination papers of all candidates which have been delivered within the time and in the manner prescribed in rule 11.

XXI (1). The returning officer shall then examine the nomination papers and shall decide all objections which may be made to any nomination, and may, either on such objection or on his own motion, after such summary inquiry, if any, as he thinks necessary, refuse any nomination on any of the following grounds:—

(*i*) that the candidate is ineligible for election under rule 5 or rule 6; or

(*ii*) that a proposer or seconder is disqualified from subscribing a nomination paper under sub-rule (*4*) of rule 11; or

(*iii*) that there has been any failure to comply with any of the provisions of rule 11 or rule 11A; or

(*iv*) that the candidate or any proposer or seconder is not identical with the person whose electoral number is given in the nomination paper as the number of such candidate, proposer or seconder, as the case may be; or

(*v*) that the signature of the candidate or any proposer or seconder, is not genuine or has been obtained by fraud.

(2) For the purposes of this regulation :—

(*a*) the production of any certified copy of an entry made in the electoral roll of any constituency shall be conclusive evidence of the right of any elector named in that entry to stand for election or to subscribe a nomination paper, as the case may be, unless it is proved that the candidate is disqualified under rule 5 or rule 6 or that the proposer or seconder, as the case may be, is disqualified under sub-rule (*4*) of rule 11, and

(*b*) where a person has subscribed whether as proposer or seconder a larger number of nomination papers than there are vacancies to be filled, those of the papers so subscribed which have been first received, up to the number of vacancies to be filled, shall be deemed to be valid.

(3) Nothing contained in clause (*ii*), clause (*iii*), clause (*iv*), or clause (*v*) of sub-regulation (*1*) shall be deemed to authorise the refusal of the nomination of any candidate on the ground of any irregularity in respect of a nomination paper, if the candidate has been duly nominated by means of another nomination paper in respect of which no irregularity has been committed.

XXII. (1) The returning officer shall endorse on each nomination paper his decision accepting or rejecting the same and, if the nomination paper is rejected, shall record in writing a brief statement of his reasons for such rejection.

(2) The scrutiny shall be completed on the day appointed in this behalf under clause (*b*) of sub-rule (*2*) of rule 11 and no adjournment of the proceedings shall be allowed.

XXIII. On completion of the scrutiny of nominations and after the expiry of the period within which candidatures may be withdrawn under sub-rule (*8*) of rule 11, the returning officer shall forthwith prepare a list of valid nominations and cause it to be affixed in some conspicuous place in his office.

XXIV. If the number of duly nominated candidates is greater than the number of vacancies the returning officer shall forthwith publish in the local official Gazette, and in such other manner as the Local Government may prescribe, and in such places in the constituency as he may consider necessary, the names of the candidates as given in the nomination papers in alphabetical order.

Voting.

XXV. The Local Government shall appoint the hour at which the poll shall commence and the hour at which it shall close on the date appointed for the poll under clause (*c*) of sub-rule (*2*) of rule 11. The hours so fixed shall be published by notification in the local official Gazette, and in such other manner as the Local Government may direct.

XXVI. (1) The returning officer shall select for each constituency as many polling stations as he thinks necessary and shall publish in such manner as the Local Government may prescribe, a list showing the polling stations so selected, and the polling areas for which they have respectively been selected.

(2) The returning officer shall appoint a presiding officer for each polling station and such other persons (hereinafter referred to as polling officers) to assist the presiding officer as he thinks necessary.

XXVII. (1) The presiding officer shall keep order at the polling station, shall see that the election is fairly conducted, shall regulate the number of electors to be admitted at one time, and shall exclude all other persons except—

(*a*) the polling officers, the candidates, and one agent of each candidate (hereinafter referred to as the polling agent) appointed in writing by the candidate, and authorised in this behalf by the returning officer,

(*b*) the police or other public servants on duty, and

(*c*) such other persons as the presiding officer may from time to time admit for the purpose of identifying electors.

(2) The presiding officer shall close the polling station at the hour appointed in that behalf by the Local Government under Regulation XXV, so as to prevent the admission thereto of any voter after that hour, provided that all voters present at the polling station before it is so closed shall be entitled to have their votes recorded.

XXVIII. Each polling station shall be furnished with such number of compartments, in which voters can record their votes screened from observation, as the returning officer thinks necessary.

XXIX. (1) The returning officer shall provide at each polling station materials sufficient for the purpose of enabling voters to mark the ballot papers, instruments for stamping the official mark on such papers, as many ballot boxes as may be necessary, and copies of the electoral roll or of such part thereof as contains the names of the electors entitled to vote at such station.

(2) The official mark shall be kept secret, and a period of not less than seven years shall intervene between the use of the same official mark at elections for the same constituency.

XXX. Every ballot box shall be so constructed that the ballot papers can be introduced therein, but cannot be withdrawn therefrom, without the box being unlocked. The presiding officer at any polling station, immediately before the commencement of the poll, shall show the ballot box empty to such persons as may be present in such station, so that they may see that it is empty, and shall then lock it up, and place his seal upon it in such manner as to prevent its being opened without breaking such seal, and shall place it in his view for the receipt of ballot papers and keep it so locked and sealed.

XXXI. Before the polling station is open for the recording of votes, the presiding officer shall read to such persons as may be present the provisions of section 14 of the Indian Election Offences and Inquiries Act, 1920, and shall explain the substance thereof in the vernacular of the district.

XXXII. Immediately before a ballot paper is delivered to an elector, it shall be marked on the back with the official mark, and the number, name and description of the elector as stated in the electoral roll shall be called out, and the number of the elector shall be entered on the counterfoil, and a mark shall be placed in a copy of the electoral roll against the number of the elector, to denote that he has received a ballot paper, but without showing the particular ballot paper which he has received. On the counterfoil shall be entered the name of the constituency and the name or distinctive number of the polling station.

XXXIII. The elector, on receiving the ballot paper, shall forthwith proceed into one of the compartments in the polling station, and there make a mark on the ballot paper against the name of the candidate or candidates for whom he intends to vote in accordance with the instructions set out on the back of the outerfoil paper, and fold it up so as to conceal his vote, and, after shewing to the presiding officer the official mark, shall put his ballot paper, so folded up, into the ballot box. Every elector shall vote without undue delay and shall quit the polling station as soon as he has put his ballot paper into the ballot box.

XXXIV. If the voter, owing to illiteracy or infirmity, is unable to read a ballot paper or to make a mark thereon the presiding officer shall mark the vote in the ballot paper according to the direction of the voter. The voter shall then himself or with the assistance of the presiding officer put the ballot paper folded up into the ballot box.

XXXV. At any time before a ballot paper is delivered to an elector, the presiding officer or polling officer may, of his own accord, if he has reason to doubt the identity of the elector or his right to vote at such station, and shall, if so required by a candidate or polling agent, put to the elector the following questions:—

(1) Are you the person enrolled as follows (reading the whole entry from the roll)? and,

(2) Have you already voted at the present election in this constituency and, at a general election?

(3) Have you already voted at this general election for the Legislative Council in any other general constituency?

and the elector shall not be supplied with a ballot paper if he refuses to answer any one of the questions and unless he answers the first question in the affirmative, the second question in the negative, and, at a general election, the third question also in the negative.

XXXVI. The ballot paper shall be in Form I annexed to these regulations and shall contain the names of the candidates arranged alphabetically in the order of their surnames. The ballot papers shall be serially numbered; the serial number being printed on the face of the counterfoil and on the back of the ballot paper.

XXXVII. If a person representing himself to be a particular elector named on the electoral roll applies for a ballot paper after another person has voted as such elector, the applicant shall, after duly answering such questions as the presiding officer may ask, be entitled to mark a ballot paper in the same manner as any other voter. Such ballot paper (hereinafter referred to as a "tendered ballot paper)" shall be of a colour different from the other ballot papers, and, instead of being put into the ballot box, shall be given to the presiding officer and endorsed by him with the name of the voter and his number on the electoral roll and the name of the electoral area to which the roll relates and shall be set aside in a separate packet and shall not be counted by the returning officer. The name of the voter and his number in the electoral roll and the name or distinctive number of the polling station to which the roll relates shall be entered in a list in Form II annexed to these regulations, which shall bear the heading "Tendered votes list." The person tendering such ballot paper shall sign his name and address thereon or affix his thumb impression against the entry in that list.

XXXVIII. If any polling agent declares and undertakes to prove that any person by applying for a ballot paper has committed the offence of personation, the presiding officer may require such person to enter in the list of challenged votes (which shall be in Form III annexed to these regulations) his name and address, or, if he is unable to write, to affix his thumb impression thereto and may further require such person to produce evidence of identification. If such person on being questioned in the manner provided in Regulation XXXV answers the first question in the affirmative and the other questions in the negative, he shall be allowed to vote after he has been informed of the penalty for personation. The presiding officer shall make a note of the circumstances, and of his decision on the list of challenged votes.

XXXIX. A voter who has inadvertently dealt with his ballot paper in such a manner that it cannot conveniently be used as a ballot paper may, on delivering it to the presiding officer and satisfying him of the inadvertence, obtain another ballot paper in place of the spoilt paper, and the latter shall, together with its counterfoil, be marked as cancelled.

XL. A presiding officer, polling officer or polling agent who is on duty at a polling station at which he is not entitled to vote shall, if he is certified by the Returning Officer of the constituency in which he is entitled to vote to be entitled to vote at the election for the constituency in connection with which he is employed or for any other constituency, be allowed to record his vote at that polling station. The name of the polling station at which he would otherwise have been entitled to vote shall be entered in the counterfoil of the ballot paper together with his number in the electoral roll for the constituency in which that polling station is situated.

XLI. Such ballot paper shall be placed in an envelope and sealed by the presiding officer and returned with the certificate referred to in Regulation XL to the returning officer who has granted the same, and such returning officer shall cause such vote to be included among the other votes given for the candidate designated by the voter.

XLII. The presiding officer of each polling station, as soon as practicable after the close of the poll, shall, in the presence of any candidates or polling agents who may be present, make up into separate parcels and seal with his own seal and the seal of such candidates or agents as may desire to affix their seal :—

(1) each ballot box in use at each station unopened but with the key attached ;

(2) the unused ballot papers ;

(3) the tendered ballot papers ;

(4) the spoilt ballot papers ;

(5) the marked copy of the electoral roll ;

(6) the counterfoils of the ballot papers ;

(7) the tendered votes list ; and

(8) the list of challenged votes ;

and shall deliver such packets to the returning officer.

XLIII. The packets shall be accompanied by a statement in Form IV made by the presiding officer, showing the number of ballot papers entrusted to him, and accounting for them under the heads of ballot papers in the ballot box, unused, spoilt, and tendered ballot papers, and ballot papers dealt with under Regulation XL.

Counting of votes.

XLIV. The returning officer shall as soon as may be practicable after the close of the poll, appoint a date, time and place for the counting of votes and shall give notice in writing thereof to all candidates and election agents.

XLV. (1) No person shall be allowed to be present at the counting of the votes except the returning officer and such persons as he may appoint to assist him in counting the votes, and such other persons as have a right to be present under sub-rule (*6*) of rule 12.

(2) No person shall be appointed to assist in counting the votes, who has been employed by or on behalf of any candidate for any purpose whatsoever connected with the election.

XLVI. On the day and at the time appointed under Regulation XLIV the returning officer shall, before he commences to count the votes, read the provisions of section 14 of the Indian Election Offences and Inquiries Act, 1920, to such persons as may be present, and shall then proceed as follows :—

(*a*) The ballot box or boxes relating to each polling station shall be opened one after another, and the returning officer shall take out the papers therefrom, count them or cause them to be counted, and record the number thereof in a statement. Such statement shall not be shewn to any candidate or agent.

(*b*) The returning officer shall then mix together all the ballot papers so taken out from the ballot boxes and distribute them in convenient bundles to the persons appointed to assist in counting the votes.

(*c*) When the ballot papers have been so distributed, but not before the returning officer shall allow the candidates and their agents reasonable opportunity to inspect, without handling, the ballot papers, and shall on every ballot paper which is wholly or partially rejected endorse the word "rejected." If any candidate or agent present questions the correctness of the rejection, he shall also record on the ballot paper the grounds for the rejection. No candidate or agent shall be allowed to see the serial number on the back of any ballot paper.

(*d*) The returning officer shall, as far as practicable, proceed continuously with the counting of the votes; and shall, during any necessary intervals during which the counting has to be suspended, place the ballot papers, packets and other documents relating to the election under his own seal and the seals of such candidates, or agents as may desire to affix them, and shall cause adequate precautions to be taken for their custody.

XLVII. (1) A ballot paper shall be rejected if—

(*a*) it has not on its back the official mark,

(*b*) the number of votes recorded thereon exceeds the number of vacancies to be filled,

(*c*) no vote is recorded thereon,

(*d*) it is void for uncertainty,

(*e*) it bears any mark by which the elector can be identified.

(2) The decision of the returning officer as to the validity of a ballot paper shall be final, subject only to reversal on an election petition claiming the seat.

XLVIII. The returning officer shall not open the sealed packets of the tendered votes, the marked copy of the electoral roll or the counterfoils of the ballot papers. He shall verify the statement submitted by the presiding officer under Regulation XLIII by comparing it with the number of counted votes and rejected ballot papers, the unused ballot papers in his possession and the tendered votes list, shall then reclose and reseal each packet which has been opened by him, and shall record on each packet a description of its contents and date of the election to which it refers.

XLIX. The returning officer shall then prepare and certify a return setting forth—

(1) the result of the verification referred to in Regulation XLVIII,

(2) the names of the candidates for whom valid votes have been given,

(3) the number of valid votes given for each candidate,

(4) the name of the candidate elected,

(5) the number of votes declared invalid, and

(6) the number of tendered votes given,

and shall permit any candidate or any representative duly authorised under sub-rule (*6*) of rule 12 to take a copy of or an extract from such return.

L The returning officer shall, after reporting the result of the election under rule 12, forward the return and all the packets relating to the election in his possession to the Secretary to the Bengal Legislative Council.

LI. While in the custody of the Secretary to the Bengal Legislative Council, the packets of ballot papers whether counted, rejected or tendered, and of the counterfoils thereof, shall not be opened and their contents shall not be inspected or produced except under the order of a competent Court or of Commissioners appointed to hold an enquiry in respect of an election, but all other documents relating to the election shall be open to public inspection subject to such conditions and to the payment of such fee, if any, as the Local Government may impose.

LII. The packets aforesaid shall be retained for a period of one year and shall thereafter be destroyed subject to any direction to the contrary made by the Local Government, or by a competent Court or by Commissioners appointed to hold an enquiry in respect of an election.

Special Regulations applicable to University and Commerce and Industry constituencies.

LIII. In the case of an election for a University or Commerce and Industry constituency Regulations XXV to XLIX inclusive shall not be applicable, and the following Regulations LIV to LIX inclusive, shall be substituted therefor and shall apply.

LIV. On or before the date fixed in this behalf by the Local Government the returning officer shall send by registered post to each elector a ballot paper, together with an intimation of the date appointed by him for the counting of votes and shall enter on the counterfoil of each ballot paper the name of the elector to whom the ballot paper is sent.

The ballot paper, together with such intimation, shall be sent to the address of the elector as shown in the electoral roll, or in the case of a Commerce and Industry constituency, to the latest known address of the elector as registered in the office of the Chamber, Association or Sabha comprising the constituency.

The form of the ballot paper in the case of a Commerce and Industry constituency, shall be in Form V annexed to these regulations, and, in the case of a University constituency, in Form VI annexed to these regulations.

LV. In the case of a University constituency an elector shall obtain the attestation of his signature, and declaration but not of his vote, by a magistrate, judge, subordinate judge, munsif, fellow of the University, or principal of a college affiliated to the University, to whom he is personally known, or to whose satisfaction he has been identified.

LVI. Any elector may send his ballot paper to the returning officer after recording his vote thereon in accordance with the instructions on the ballot paper; provided that voting papers which are not received by the returning officer before the date fixed for the counting of the votes shall be rejected.

LVII. Any ballot paper which is not duly marked, or on which more than one mark is placed against any candidate's name, or on which votes are given to more candidates than there are members to be elected, or on which a mark is placed in such a manner as to make it doubtful to which candidate it has been given, or, in the case of a University constituency, on which the signature of the elector is not duly attested, shall be invalid.

LVIII. (1) The returning officer shall appoint a date, time and place for the counting of votes, and shall give notice thereof in writing to the candidates.

(2) On the day appointed the returning officer shall—

(*a*) after scrutiny, separate, or cause to be separated, the ballot papers which he deems valid from those which he rejects, endorsing on the latter the word "rejected" and the ground of rejection;

(*b*) count, or cause to be counted, the votes given to each candidate, and declare the candidate, or candidates, with the largest number of valid votes to be elected;

(*c*) upon the completion of counting, prepare and certify a return setting forth—

(*i*) the number of valid votes given for each candidate;

(*ii*) the number of votes declared invalid and rejected;

(*iii*) the names of the persons declared elected;

(*d*) permit any candidate or representative duly authorised under sub-rule 6 of rule 12 to take a copy of, or an extract from, the return; and

(*e*) seal up in separate packets the counted and rejected ballot papers, and record on each such packet a description of its contents and the name of the constituency and the date of the election to which it refers.

LIX. The Local Government shall appoint and notify in such manner as it think fit the date referred to in Regulation LIV.

Special Regulations applicable to Landholders' constituencies.

LX. In the case of an election for a landholders' constituency Regulations XXV to XLIX shall not be applicable and the following Regulations LXI to LXVII inclusive, shall be substituted therefor, and shall apply.

LXI. On or before such date as may be appointed by the Local Government in this behalf, the returning officer shall send by registered post to each elector a ballot paper in Form VII annexed to these regulations, together with an intimation of the date appointed by him for the counting of votes, and shall enter on the counterfoil of each ballot paper, the name of the elector to whom the ballot paper is sent. The ballot paper, together with such intimation, shall be sent to the address of the elector as shown in the electoral roll.

LXII. On or before such date as may be appointed by the Local Government in this behalf, but not later than 5 P.M. on that date, each elector desirous of recording his vote shall sign the declaration on the back of the ballot paper in the presence and at the office of an attesting officer, and the attesting officer shall thereupon attest his signature.

LXIII. The elector shall then proceed to a place set apart for that purpose by the attesting officer, and screened from observation, and there shall record his vote on the ballot paper in accordance with the instructions contained therein, and after placing the ballot paper in an envelope, and closing the same, shall deliver it to the attesting officer.

LXIV. If an elector is unable to read or write, or by reason of some physical defect is incapacitated from recording his vote, the attesting officer shall assist him in such manner as may be necessary to mark the ballot paper and to sign the declaration thereon.

LXVI. A ballot paper that is not duly attested, or marked, or on which more than one mark is placed against any candidate's name or on which votes are given to more candidates than there are members to be elected or on which a mark is placed in such a manner as to render it doubtful to which candidate it has been given, shall be invalid.

LXVII. (1) The returning officer shall appoint a date, time and place for the counting of votes, and shall give notice thereof in writing to the candidates.

(2) On the day appointed the returning officer shall fold the lower portion of every ballot paper along the dotted line on the back so as to conceal the names of the elector and of the attesting officer and should seal down the portion thus folded with the official seal and thereafter shall—

(*a*) after scrutiny, separate or cause to be separated the ballot papers which he deems valid from those which he rejects, endorsing on the latter the word "rejected" and the ground of rejection;

(*b*) count, or cause to be counted, the votes given to each candidate and declare the candidate, or candidates, with the largest number of votes to be elected;

(*c*) upon the completion of the counting, prepare and certify a return setting forth—

(*i*) the number of valid votes given for each candidate;

(*ii*) the number of votes declared invalid and rejected;

(*iii*) the names of the persons declared elected;

(*d*) permit any candidate or his agent to take a copy of, or an extract from, the return.

(*e*) seal up in separate packets the counted and rejected ballot papers, and record on each such packet a description of its contents and the name of the constituency and the date of the election to which it refers.

LXVIII. The Local Government shall appoint and notify in such manner as it thinks fit the date referred to in Regulation LXI for sending ballot papers to electors and the date referred to in Regulation LXII for the attestation of ballot paper.

Special Regulations applicable to the Presidency and Burdwan (European) constituency.

LXIX. In the case of an election for the Presidency and Burdwan (European) constituency, Regulations XLVI to XLIX shall not be applicable and the following Regulations LXX to LXXXIII inclusive shall be substituted therefor, and shall apply.

LXX. In the following regulations—

(1) the expression "continuing candidate" means any candidate not elected and not excluded from the poll;

(2) the expression "first preference" means the figure "1"; the expression "second preference" means the figure "2"; and the expression "third preference" means the figure "3", set opposite the name of any candidate, and so on;

(3) the expression "transferable paper" means a ballot paper on which a second or subsequent preference is recorded for a continuing candidate;

(4) the expression "non-transferable paper" means a ballot paper on which no second or subsequent preference is recorded for a continuing candidate:

Provided that a paper shall be deemed to be a non-transferable paper in any case in which—

(*a*) the names of two or more candidates (whether continuing or not) are marked with the same figure, and are next in order of preference; or

(*b*) the name of the candidate next in order of preference (whether continuing or not) is marked—

(*i*) by a figure not following consecutively after some other figure on the ballot paper; or

(*ii*) by two or more figures.

(5) the expression "original vote" in regard to any candidate means a vote derived from a ballot paper on which a first preference is recorded for that candidate;

(6) the expression "transferred vote" in regard to any candidate means a vote derived from a ballot paper on which a second or subsequent preference is recorded for that candidate;

(7) the expression "surplus" means the number of votes by which the total number of the votes, original and transferred, credited to any candidate, exceeds the quota.

LXXI. The ballot paper shall contain the names of the candidates arranged alphabetically in the order of their surnames. It shall be in the form set out in Form IX annexed to these regulations.

LXXII. (1) Every elector shall have one vote only.

(2) An elector in giving his vote—

(*a*) must place on his ballot paper the figure 1 in the square opposite the name of the candidate for whom he votes;

(*b*) may, in addition, place on his ballot paper the figure 2 or the figures 2 and 3, or 2, 3 and 4, and so on, in the squares opposite the names of other candidates in the order of his preference.

LXXIII. A ballot paper shall be invalid on which—

(*a*) the figure 1 is not marked; or

(*b*) the figure 1 is set opposite the name of more than one candidate; or is so placed as to render it doubtful to which candidate it is intended to apply; or

(*c*) the figure 1 and some other figure are set opposite the name of the same candidate;

(*d*) any mark is made by which the voter may afterwards be identifi

LXXIV. On the day appointed under Regulation XLIV for the counting of votes, the returning officer shall open the ballot box, and, after scrutiny, separate the ballot papers which he deems valid from those which he rejects, endorsing on the latter the word "rejected" and the ground of rejection, and after rejecting any that are invalid, shall arrange the remainder in parcels according to the first preferences recorded for each candidate.

LXXV. The returning officer shall then count the number of papers in each parcel, and credit each candidate with one vote in respect of each valid paper on which a first preference has been recorded for him, and he shall ascertain the total number of valid papers.

LXXVI. The returning officer shall then divide the total number of valid papers by a number exceeding by one the number of vacancies to be filled, and the result increased by one, disregarding any fractional remainder, shall be the number of votes sufficient to secure the return of a candidate (hereinafter called the "quota").

LXXVII. If at any time the number of votes credited to a candidate is equal to or greator than the quota, that candidate shall be declared elected.

LXXVIII. (1) If at any time the number of votes credited to a candidate is greater than the quota, the surplus shall be transferred in accordance with the provisions of this regulation to the continuing candidates indicated on the ballot papers in the parcel of the elected candidate, as being next in order of the voters' preference.

(2) (*a*) If the votes credited to an elected candidate consist of original votes only, the returning officer shall examine all the papers in the parcel of the elected candidate whose surplus is to be transferred, and shall arrange the transferable papers in sub-parcels according to the next preferences recorded thereon.

(*b*) If the votes credited to an elected candidate consist of original and transferred votes, or of transferred votes only, the returning officer shall examine the papers contained in the sub-parcel last received by the elected candidate and shall arrange the transferable papers therein in further sub-parcels according to the next preferences recorded thereon.

(*c*) In either case the returning officer shall make a separate sub-parcel of the non-transferable papers and shall ascertain the number of papers in each sub-parcel of transferable papers and in the sub-parcel of non-transferable papers.

(3) If the total number of papers in the sub-parcels of transferable papers is equal to or less than the surplus, the returning officer shall transfer each sub-parcel of transferable papers to the continuing candidate indicated thereon as the voters' next preference.

(4) (*a*) If the total number of transferable papers is greater than the surplus, the returning officer shall transfer from each sub-parcel the number of papers which bears the same proportion to the number of papers in the sub-parcel as the surplus bears to the total number of transferable papers.

(*b*) The number of papers to be transferred from each sub-parcel shall be ascertained by multiplying the number of papers in the sub-parcel by the surplus and dividing the result by the total number of transferable papers. A note shall be made of the fractional parts, if any, of each number so ascertained.

(*c*) If, owing to the existence of such fractional parts, the number of papers to be transferred is less than the surplus, so many of these fractional parts taken in the order of their magnitude, beginning with the largest, as are necessary to make the total number of papers to be transferred equal to the surplus, shall be reckoned as of the value of unity, and the remaining fractional parts shall be ignored.

If two or more fractional parts are of equal magnitude, that fractional part shall be deemed to be the larger which arises from the larger sub-parcel, and if the sub-parcels in question are equal in size, preference shall be given, to the candidate who obtained the larger number of original votes.

(*d*) The particular papers to be transferred from each sub-parcel shall be those last filed in the sub-parcel.

(*e*) Each paper transferred shall be marked in such a manner as to indicate the candidate from and to whom the transfer is made.

(5) (*a*) If more than one candidate has a surplus, the largest surplus, shall be first dealt with.

(*b*) If two or more candidates have each the same surplus, regard shall be had to the number of original votes obtained by each candidate, and the surplus of the candidate credited with the largest number of original votes shall be first dealt with, and, if the numbers of the original votes are equal, the returning officer shall decide which surplus he will first deal with.

(*c*) The returning officer need not transfer the surplus of an elected candidate when that surplus, together with any other surplus not transferred, does not exceed the difference between the totals of the votes credited to the two continuing candidates lowest on the poll.

LXXIX. (*i*) If at any time no candidate has a surplus (or when under the preceding rule any existing surplus need not be transferred) and one or more vacancies remain unfilled, the returning officer shall exclude from the poll the candidate credited with the lowest number of votes, and shall examine all the papers of that candidate, and shall arrange the transferable papers in sub-parcels according to the next preferences recorded thereon for continuing candidates, and shall transfer each sub-parcel to the candidate for whom that preference is recorded.

(2) If the total of the votes of the two or more candidates lowest on the poll, together with any surplus votes not transferred, is less than the votes credited to the next highest candidate, the returning officer may in one operation exclude those candidates from the poll and transfer their votes in accordance with the preceding regulation.

(3) If, when a candidate has to be excluded under this regulation, two or more candidates have each the same number of votes and are lowest on the poll, regard shall be had to the number of original votes credited to each of those candidates, and the candidate with fewest original votes shall be excluded, and, where the numbers of the original votes are equal, regard shall be had to the total number of votes credited to those candidates at the first transfer at which they had an unequal number of votes, and the candidate with the lowest number of votes at that transfer shall be excluded, and, where the numbers of votes credited to those candidates were equal at all transfers, the returning officer shall decide which shall be excluded.

LXXX. (1) Whenever any transfer is made under any of the preceding regulations, each sub-parcel of papers transferred shall be added to the parcel, if any, of papers of the candidate to whom the transfer is made, and that candidate shall be credited with one vote in respect of each paper transferred. Such papers as are not transferred shall be set aside as finally dealt with, and the votes given thereon shall thenceforth not be taken into account.

(2) If after any transfer a candidate has a surplus, that surplus shall be dealt with in accordance with and subject to the provisions contained in Regulation LXXIX before any other candidate is excluded.

LXXXI. (1) When the number of continuing candidates is reduced to the number of vacancies remaining unfilled, the continuing candidates shall be declared elected.

(2) When only one vacancy remains unfilled, and the votes of some one continuing candidate exceed the total of all the votes of the other continuing candidates, together with any surplus not transferred, that candidate shall be declared elected.

(3) When the last vacancies can be filled under this regulation, no further transfer of votes need be made.

LXXXII. Any candidate, or his duly authorized representative in his absence, may, at any time during the counting of the votes, either before the commencement or after the completion of any transfer of votes (whether surplus or otherwise), request the returning officer to re-examine and recount the papers of all or any candidates (not being papers set aside at any previous transfer as finally dealt with), and the returning officer shall forthwith re examine and recount the same accordingly. The

returning officer may also at his discretion recount votes either once or more often in any case in which he is not satisfied as to the accuracy of any previous count:

Provided that nothing herein shall make it obligatory on the returning officer to recount the same votes more than once.

LXXXIII. (1) The returning Officer shall not open the sealed packets of the tendered votes, the marked copy of the electoral roll or the counterfoils of the ballot papers. He shall verify the statement submitted by the presiding officer under Regulation XLIII by comparing it with the number of counted votes and rejected ballot papers, the unused ballot papers in his possession and the tendered votes list, shall then reclose and reseal each packet which has been opened by him, seal up in separate packets the counted and rejected ballot papers, and record on each packet a description of its contents, the name of the constituency and the date of the election to which it refers.

(2) The returning officer shall prepare and certify a return setting forth—

(*i*) the number of valid votes given to each candidate,

(*ii*) the number of votes declared invalid and rejected,

(*iii*) the number of tendered ballot papers issued to electors as shown in the ballot paper account,

(*iv*) the names of the persons declared elected;

and permit any candidate or representative duly authorised under sub-rule 6 of rule 12 to take a copy of or an extract from the return.
